Hi Laura/ David,

I hope you are well.

It's with regret that I will have to resign my role as commissioner. I have moved to Chicago for new job and was initially commuting but will no longer be able to continue. I will keep my home in Pasadena and will be back.

Please let me know if I need to do anything formally or if there is any process. I have sent an email to Tyron as well.

Thanks  
Asif
