

18 MAR 15 12:48PM

CITY CLERK

Thursday March 15, 2018

Dear Mayor Tornek and Commissioners of the Status of Women,

I am writing you to inform you that I will be resigning from the position of Commissioner for District 1 for the Commission on the Status of Women due to an increase in work responsibilities and projects.

I would like to thank you for voting me into the commission and allowing me the opportunity to be a part of a stellar group of women. Albeit a few short months, I am very proud to have worked on the commission and appreciate the time and patience the other Commissioners have shown in training and educating me. I have learned so much about the Commission and how their Survival Guide has impacted the women within the City of Pasadena and beyond. These skills and knowledge will serve me well in my career and community work.

Please acknowledge this letter as my official notice of resignation. I will do my best to ensure that any outstanding items or requirements are completed and submitted and ensure a smooth transition. I have been fortunate to have been a part of the Commission on the Status of Women for the City of Pasadena, and I wish them and you continued success.

Thank you,

Evan McCrary
