Re: City Council Meeting 5/14/2018-- Agenda Item 8 -- Strengthening Enforcement for Illegal Fireworks

Mayor Tornek and Councilmembers:

The Linda Vista-Annandale Association (LVAA) supports strengthening enforcement against illegal Fireworks, and urges you to vote for preparation and implementation of the proposed Ordinance prior to July 4.

Every July 4, and other times such as January 1, LVAA is concerned about the possible impacts of the regular illegal use of Fireworks in our neighborhood, including possible wildfires in the Hillside. We think that the proposal will assist the Fire and Police Departments in prohibiting and controlling illegal use of Fireworks in our neighborhood and otherwise in the City, and, therefore, again, urge you to move forward with preparation and adoption of the described Ordinance prior to this July 4th.

Thank you for considering our comments.

Sincerely,

Nina Chomsky, LVAA President
