Andy Wilson
Council Member, District 7
City of Pasadena

Dear Councilmember Wilson,

It is with regret that I am writing to inform you of my decision to resign my position as Chair and Member of the Pasadena Commission on the Status of Women (CSW), effective at the end of this fiscal year (June 30, 2018). After much thought, I have made the difficult decision with our local women's best interest at heart. Next fiscal year will bring on a different set of requirements from other commitments and I want to allow my position on the CSW to be filled by another local female leader who could make the time commitment it requires.

It has been a pleasure being a member of the CSW for the last three years and working with you, local partners, and city staff. I am very thankful for the time I have served representing District 7 and lifelong friendships I have made. Mostly, I am humbled to have served our community and I have no doubt we will continue to work together in other areas that support our community's needs.

From now until the end of June, I will work with the current Commissioners to review the CSW's 2017-2018 work plan so it reflects our achievements for the year. I am also available to provide any additional information needed to support this transition.

Respectfully,

Lorena Yopez Hernandez
Chair Pasadena Commission on the Status of Women
