As you know, Peg and I have been actively exploring housing options in the Pacific Northwest - to live closer to our son David - and our situation has progressed to the point where my residency is now officially changing from Pasadena to the Seattle area. So, as a result (effective immediately), I must resign my seat on the Transportation Advisory Commission and I will no longer be able to participate in the TAC Committees where I am currently involved.

John, I have a deep appreciation for your leadership commitment to Pasadena and the District. I am proud of the things that we have accomplished together - and beyond that, I'm personally grateful for your graciousness and "connectedness" that has brought me close to friends such as Justin Jones.

As you go forward, I do have a couple of ideas about appropriate TAC appointees that I would hope you might consider. Please let me know if there's anything else I can do on this end that would be helpful to support your office in this transition...

All the best,
Greg Gunther
