Re: Council Meeting February 4, 2019 -- Agenda Item 5 CIP -- Budget Amendments --
Annandale Canyon Park Improvements

Mayor Tornek and Council Members,

The Linda Vista-Annandale Association (LVAA) supports the Staff Recommendation to allocate what appears to be the final funding needed to complete the approved Trail and other improvements at the Annandale Canyon Park. LVAA and neighbors have worked for years (including many of us taxing ourselves to buy the property) to save and improve this beautiful open space area and to improve it for public City-wide access and enjoyment. With these funds, it appears that the project may finally be finished in due course, and fully open for public access. Thank you in advance for supporting this amendment and allocation.

Sincerely,

Nina Chomsky, LVAA President
