1:19 PM 1/28/2019

I am writing as a person of faith who has taken part in a prayer vigil at Chang Commons on the Fuller Campus on January 21, 2019. In honor of Dr. Martin Luther King, we joined together to pray concerning our growing housing crisis that expels the poor.

"God never intended for one group of people to live in superfluous, inordinate wealth while others live in abject, deadening poverty." MLK Nobel Prize speech

In particular, the city of Pasadena made a vital housing agreement designating Chang Commons apartment of Fuller Seminary to include 169 affordable units in perpetuity. Now that Fuller is selling its campus, we pray for this affordable housing agreement to be honored.

A Letter to Fuller Trustees and Pasadena City Officials:

19 JAN 28 03:53PM

I am writing as a person of faith who has taken part in a prayer vigil at Chang Common on the Fuller Campus on January 21, 2019. In honor of Dr. Martin Luther King, we joined together to pray concerning our growing housing crisis that expels the poor.

"God never intended for one group of people to live in superfluous, inordinate wealth while others live in abject, deadening poverty." MLK Nobel Prize speech

In particular, the city of Pasadena made a vital housing agreement designating Chang Commons apartment of Fuller Seminary to include 169 affordable units in perpetuity. Now that Fuller is selling its campus, we pray for this affordable housing agreement to be honored.
