We are experiencing a housing affordability and housing crisis. We need Pasadena to help address this growing crisis. Developing supportive housing and affordable housing as the Ratkovich Co and National Community Renaissance have proposed will bring much needed housing to Pasadena and help solve our homelessness crisis.

Cities throughout the County look to Pasadena for leadership. Please be the leaders that the rest of the state needs you to be. I ask for your utmost consideration and support.

Thank you.

I'm one of your constituents here in Pasadena.

I know that we are experiencing a housing affordability and housing crisis leading to the homelessness of many people. We need Pasadena to help address this crisis.

I support the development proposed by The Ratkovich Company/National Community Renaissance which preserves the YWCA building for public use and includes supportive and affordable housing in the Civic Center.

Cities throughout LA County look to Pasadena for leadership. Please be the leaders that the rest of the state needs you to be.

Thanks,
Swantje Willms

Dear Mayor and Pasadena City Council,

I am writing to request that you utilize the YWCA building for affordable housing, not unaffordable condos. I hope that you will vote to put people over profits and, in so doing, continue to stand out as a City actively doing its part to address the worst affordable housing crisis in a generation. Other cities look to your leadership to pave the way for bold action on affordable housing in their cities.

Please do the moral and just thing and vote to provide affordable housing at the YWCA.

Regards,
Sean McMorris,
Community Member and Advocate for Affordable Housing
