(New language is indicated by underlining, and deleted language is indicated by ~~strikethrough~~.)

1) Section 5.78.010 of the Pasadena Municipal Code is hereby amended to read as follows:

A. It is the purpose and intent of this chapter to implement the provisions of the Medicinal and Adult Use Cannabis Regulation and Safety Act (hereinafter "MAUCRSA") to accommodate the needs of medically ill persons that require treatment with medicinal cannabis as recommended by their health care provider, and to provide access to adult-use cannabis for persons over the age of 21 as authorized by the Control, Regulate and Tax Adult Use of Marijuana Act passed by California voters in 2016 (now the MAUCRSA), while imposing sensible regulations on the use of land to protect the city's residents, neighborhoods, and businesses from disproportionately negative secondary impacts that generally arise from such uses. As such, it is the purpose and intent of this chapter to regulate the cultivation, processing, manufacturing, testing, sale, delivery, distribution, and transportation of medicinal and adult-use cannabis and cannabis products in a responsible manner to protect the health, safety, and welfare of the residents of the City of Pasadena and to enforce rules and regulations consistent with state law. It is the further purpose and intent of this chapter to require all cannabis operators to obtain and renew annually a permit to operate within the City of Pasadena, except insofar as non-offending commercial cannabis businesses may temporarily continue operation without undergoing these new permitting procedures. Nothing in this chapter is intended to authorize the possession, use, or provision of cannabis for purposes that violate state or federal law. The provisions of this chapter are in addition to any other permits, licenses, and approvals which may be required to conduct business in the city, and are in addition to any permits, licenses, and approvals required under state, local, or other law.
