### **Comments:**

Good afternoon: Both personally and as Chair of the National Women's Political Caucus - Greater Pasadena Area Chapter, thank all of you, and city staff, for the immense amount of work you have and will continue to do to get us through this pandemic and hope that you will continue to place the physical and economic health of our residents, business, and visitors first in those decisions.

We also want to recognize and thank Councilmember McAustin as she completes service on the City Council, especially the last 4 years as the only woman. Thank you for leading us in the citywide recognition of the 100th anniversary of Women's Suffrage, your leadership chairing the Municipal Services Committee, and the countless numbers of ways you've made our City better. No doubt the residents of District 2 have been served well with you as Councilmember. Thank you to John and your family for supporting you in this work. Although your time on Council is coming to an end, we know we will see you continuing to serve in other roles. For now, enjoy your new "free time" because it is much deserved. It is our honor to have you as a member of our Caucus.
