Dear Mayor Tornek and Council members,

I am writing on behalf of Making Housing and Community Happen. I'm thrilled to see items 15 and 16 coming up for a vote today. We definitely need to apply for state funds for affordable and permanent supportive housing. By all mean, pass these resolutions and apply for these funds. As a person of faith, I'm praying that our city will receive the funds needed to address our affordable/homeless housing crisis.

They authorize city officials to apply for state funds for affordable and permanent supportive housing. We want to encourage you to pass these resolutions and apply for these funds.
