Comments Hardcore fitness from pasadena isn't just a gym. It's more of a family. Mostly everyone used this gym as an escape from their norm and their on realities in life . I know doors can't be open as of yet to work out. But we are asking to have group workouts in the park with respect of social distancing. This will help not only the owners of the gym but also the clients they call family .

Comments I hope the city council will approve Pasadena Hardcore Fitness's (HCF) request for permission to conduct outdoor workouts. HCF is a very unique community, with its members not just getting the benefit of a workout but support and confidence from its trainers. Like many people, I have struggled to stay healthy during the stay at home period, and would love the opportunity to work out with friends in a more structured atmosphere. HCF has always shown

05/18/2020
Item 16 B

extreme caution with respect to client health. For example, if they know you have an injury, they simply won't let you perform certain exercises. I am confident HCF would show the same caution to protect against any risks presented by COVID. And of course, HCF Pasadena is a small business that we need to make sure survives if and when stay at home regulations are lifted. Hopefully allowing this exception will allow HCF to realize cash flow that can allow it to weather the current storm and keep Pasadena residents healthy and fit for years to come.

Comments I am asking for the consideration that Hardcore Fitness located in Pasadena be allowed to conduct fitness classes on a limited and safe basis during this panademic crisis. Many of the members are having a tremendous time dealing with the stay at home orders mentally and physically. Hardcore Fitness is the needed physical activity that people need to get through this longer than expected extended time period. We are willing to meet outdoors (parking lot or park) in small

05/18/2020
Item 16 B

groups, bring our own equipment, stagger workout times and stay the needed 6 feet apart to stay healthy and safe. Please consider allowing this small business to operate immediately so that they are not forced to close and further damage the economic stability of Pasadena and small business ownership. Thank you for your consideration and be healthy and safe!!

Comments Dear City Council,

I am a member of Hardcore Fitness Pasadena. I have missed our workouts greatly. I am a registered nurse and have loved this gym for the workouts, but also for the cleanliness of the gym. I know that if they are allowed to have workouts of any type that we will all stick to whatever guidelines are needed to follow. Not to mention, my job is stressful right now, as is yours, and I would really appreciate the

05/18/2020
Item 16 B

stress relief and distraction that these workouts would provide.
Please allow us to workout!!! Thank you

Comments I want to support Hardcore Fitness in requesting if they cannot open their doors at this time, to be able to offer small, socially distance group training in their parking lot or a public area. This will keep members/supporters get some fresh air in nature, keep up with their health and mental wellness, and also support this small business.

Comments As we forge ahead creating a new normal, staying fit as a community needs to be included. Hardcore Fitness is my home gym. Their willingness to continue to innovate ways to encourage a healthy lifestyle that includes safe physical activity is exciting. Some of us need the accountability and push of a fit family to continue the healthy lifestyle. Safety and awareness is and continues to be HCF's number one priority.

05/18/2020
Item 16 B

Adjustment and flexibility that embrace the CDC guidelines are critical to moving forward and re-opening the community. Carmen and Jovan have met the challenge and embraced the guidelines with their proposal. I look forward to joining my fit family in a safe and healthy way very soon. Thank you

Comments I am writing in hopes that we will be able to start some type of program with Hardcore Fitness Pasadena. I have for the last year been taking class four times a week for my mental and physical heath. With this down time I have noticed what a difference life was when you are working on your health and wellness. My doctor has recommended and has approved my progress with the training I

05/18/2020
Item 16 B

have been having and need to continue my progress. Opening up the workouts in some sort of form will have endless benefits.

I consent to have my comment read out loud during the meeting. Yes

Comments I support Carmen and all of Hardcore Fitness to be allowed to do bodyweight exercises in a small group setting. For as long as I have been a member of Hardcore Fitness, they keep their facility very clean and I trust that the people who would be participating will do their share and follow guidelines in order to keep everybody safe. In addition, being allowed to work out in a small group setting will help release endorphins and boost peoples moods and overall mental health. The people of Hardcore Fitness and members of the Pasadena community would be so grateful should you allow us to do so.
