Comments:

I want to ask that you please continue funding the Great Plates program here in Pasadena.

Despite a bit of a rocky start, the program under the parks, Recreation and Community Services department has performed exceedingly well. It is also having the result intended when Governor Newsom first devised the program. it has become a vital lifeline for local restaurants struggling to cope with the impacts of the COVID-19 pandemic. It has also provided thousands of healthy, freshly prepared meals to seniors in our community.

Ms. Harvey-Williams and the department staff are to be commended for their implementation of the program. It has had a great impact on our local community.

Please continue funding for this program.

Thank you,

Paul Little
