Hello,

I was very please when the Pasadena City Council voted (finally) to install a Police Oversight Committee. It was a great first step in a much needed journey towards a safer and less racially divided community. However, nothing had happened since the vote in late August.

As a member of the community, a parent and a home owner who votes, volunteers and campaigns for candidates on local, state and National levels I urge you to move the process along swiftly and before the current administration changes. Please show the people of our city and the citizens of other cities and towns that you are not just paying black and brown members of our community lip service and take real action.

Thanks,

Susan Burke

Dear Council Members,

As a resident of Pasadena, I applaud the work you have done so far to consolidate the Police Oversight Commission that was approved in August. I am now writing to urge the City Council to move swiftly to constitute the commission, including implementing a transparent application process. There are many challenges facing Pasadena, but we have taken the first step toward addressing one of them, and the momentum should not be lost.

Thank you,
Kora McNaughton
