Dear Pasadena Mayor and Council,

I am writing in strong and enthusiastic support for the creation of both affordable and supportive housing at the Civic Center.

We do not need luxury hotels, when those hotel workers will not be able to afford to live anywhere in or near Pasadena. We must act swiftly and decisively to house those who are already facing homelessness and to prevent others from becoming homeless.

The National Alliance to End Homelessness has a brief description on why affordable housing is the solution to our housing and homelessness crisis:

Thanks for your consideration,

Teresa
