Dear Mayor Gordo, Council member Hampton, and Council,

I'm writing to you to express my support for renewing the lease for the Pasadena Job Center (item 4). The job center provides a valuable service for the community and I ask you to approve the renewal.

I'm also writing to express my complete support for the demands of the Pasadena Affordable Housing Coalition for agenda item 11 regarding the housing element. We should be making affordable housing a priority in our housing element with concrete goals and a timeline that produces results quickly.

Thank you.

Sincerely,

Colin Bogart
