Linda Vista-Annandale Association

Pasadena City Council

Re: City Council Meeting 8/9/2021; Agenda Item 5 -- Contract Award for Annandale Canyon Project

Mayor Gordo and Councilmembers,

The Linda Vista-Annandale Association (LVAA) has strongly supported and worked for the preservation of the Annandale Canyon passive, open space as a public park for many years. Awarding the contract for the improvements is the last step. Currently, the park is open and accessible, but not completed. The improvements, which will complete the park, are minimal, but will ensure safe, ADA compliant and enjoyable passive use by residents of Pasadena of this beautiful and natural open space.

Thank you for approving the contract award so that the Annandale Canyon project can be promptly completed.

Sincerely,

Nina Chomsky,
LVAA President
