Good afternoon Members of the Council:

I write to urge you to please vote in support of appointing Jessica Rivas as your preferred candidate to fill the remaining term of District 5.

Jessica is an experienced mother, attorney, member of our military, and involved citizen. Her dedication to the City began long before this opportunity with her work on the Commission on the Status of Women, current Northwest Commission, and serving in other capacities throughout Pasadena. Her thoughtfulness and perspective as a working mother of young children, accomplished attorney, and willingness to serve during this challenging time in our city and nation makes her the candidate best qualified to be appointed and be effective right away. Her work on city commissions has demonstrated her respect for working with city staff and working through differing opinions.

She has my full support.

Jacque Robinson Baisley  
Former Councilmember District 1
