Subject: [Updated] Resigning from the CSW

Hi Ali,

I've decided to resign from the Commission on the Status of Women, effective 1/28/21. It's been an amazing four years working alongside my fellow commissioners and the hardworking professionals of the City of Pasadena.

I am also grateful to have had the opportunity to serve my fellow neighbors in this capacity. I am most proud of having led the commission, as chair in 2020, when we recommended to the city council and mayor to adopt a resolution to prioritize women's equality (adopted at the 1/13/20 meeting). It was the highlight of my tenure on the commission.

Thank you and the great team at HSRD for the support and guidance!

Best,
Norma
