Dear Mark,

Earlier today I received a call from Mayor Victor Gordo letting me know that he will not reappoint me to the B-G-P Airport JPA (as a Commissioner of the Burbank-Glendale-Pasadena Joint Powers Authority).

For the record, I had communicated to the Mayor in April of this year my desire to continue to serve on the noted body. The email below confirm that I requested nomination by the Mayor and confirmation by the City Council for reappointment to serve a full term. I note that I have not served a full term as a Commissioner as I was serving out the unexpired term of Former Mayor Terry Tornek.

Please include this email chain in the City Council Agenda packet when the referenced matter is scheduled for a vote. Additionally, I am requesting that the specific Agenda Item is pulled from the Consent Calendar so that I will have an opportunity to be heard on the matter.

Thank you for your assistance and consideration.

Sincerely,

John

Dear Mayor Gordo,

It has been my high honor and privilege to serve as one of three City appointees to B-G-P

Airport JPA. During my short tenure on that body I have protected and advanced Pasadena's rights and provided meaning leadership to the body as a whole.

It is for that reason and more that I respectfully request that you and the Council appointment me to a full term of my own to represent our fine City on the B-G-P Airport JPA.

If I am blessed to be reappointed I will continue to make you and the Council proud!

Kindly,

John
