It has been such an Honor and Privilege to be on the Executive Board of the City of Pasadena Housing Community Advisory Board, and I am so very pleased with the new adoptions for the PHA Annual Plan for 2021. William Huang, Anne Lansing and the City of Pasadena Housing Department has done an exceptional job in the planning for the 2021 year in the 5 year plan, in increasing the number of project based housing units within our community and meeting the needs of the community with additional vouchers, disability inclusions for non-elderly family member and the coming re-opening of the waitlist for Pasadena. The planning and strategies of addressing the housing needs with the inclusion of landlord incentives and other innovative ideas has paid off in the PHA Annual Plan for 2021! I am excited for the many opportunities that will be available for homeless, families and permanent supportive housing individuals here in the City of Pasadena! I am in Full support of this 2021 plan and I hope the City Counsel passes it with unanimous support and approval!

Sincerely,

Stephanie M. Church

We are grateful for our our excellent Housing Department an the work they have done in preparing the Annual Action Plan. We hope we can access even more funding and Section 8 Vouchers to end homelessness in our city. This is no inconceivable.
