Mark Jomsky,

Attached is the results of a survey that Bungalow Heaven sent out to our membership regarding redistricting. To inform our neighbors, we sent links to the city's redistricting information and workshops. The survey question was simple, "Do you think the division of Districts 2 and 5 should remain the same?" It was a multiple choice question with a line for comments.

Please submit it to public record.

Thanks so much.

Tina

It's unfortunate and disheartening. I don't have strong feelings about BH sitting within district 2 or 5 because it should be based on demographics and representation. As a Latina, this is a paramount consideration for me.</p>
