Subject: **Human Relations Commission**

I am regretfully writing to inform you that I will be unable to serve the last months of my term representing District 2 on the Human Relations Commission because of the increased demands of my business. The Commission is finally blooming and, I think, ready to do some work that will enhance our community and I don't want my inability to participate 100% to hold them back.

Thank you for the opportunity to serve on this commission.

Theresa Robinett
