Hello Mr. Jomsky,

On behalf of my client, Sadvipra LLC (appellant), we respectfully request a continuance of the above mentioned item. The appellant is collecting more information that would be relevant to the Council's consideration, and it may not be available by Monday. We appreciate staff's work and cooperation to date, and believe it is in all parties' interests to allow a little more time to present all the relevant information to the City.

Regards,
Jeff Harlan
