Dear Mayor Gordo and City Council members,

I was encouraged and pleased to read the staff report for the Ramona Street affordable housing project. What a beautiful and much needed addition to our Civic Center! I want to express my gratitude to the City Council for unanimously supporting this project, and for your commitment to setting a profound moral example to other cities by placing affordable housing in the heart of our city, right next to our magnificent city hall. Pasadena is demonstrating that our city has a vision to ensure that every one has "decent, safe, and affordable housing." The need is huge--6,000 units of affordable housing in the next eight years--but with God and with your commitment to our city's housing vision, nothing is impossible!

Yours truly,

Anthony Manousos
