Dear Mayor Gordo and Councilmembers,

I am writing today as a long time resident of District 3 to request the reappointment of Justin Jones as our council representative. In the brief time he has served he has displayed the qualities it takes to serve us well. He is committed, knowledgeable of the workings of municipal government; and knows the broad range of issues, not just a single issue, facing our district and the city overall. I strongly support Justin, and urge you to reappoint him as Councilmember for District 3.

sincerely,

I support the reappointment of Justin Jones to the position of Councilmember, District 3 on the Pasadena City Council. Mr. Jones current and prior involvement in community responsibilities demonstrates his care and commitment to the citizens of Pasadena.

Before he was originally appointed to the City Council, he reached out to me to learn more about the 180 affordable micro units we are developing at Pasadena Studios. On the construction tour, he demonstrated a broad understanding of the opportunities, challenges and issues associated with increasing the affordable housing inventory in Pasadena. I was aware of his experience in the Los Angeles County Department of Public Works, and we engaged in a wide-ranging discussion about the upcoming planning, zoning and infrastructure requirements necessary to meet the affordable housing requirements of the RHNA requirements.

Pasadena will be very fortunate to have Mr. Jones, civil engineer and dedicated community member, as a city council member as they plan the complex and costly infrastructure requirements of the 710 "stub" and other significant projects that will be undertaken in the near future to meet the city's housing needs.

Sincerely

Honorable Mayor Gordo, Vice-Mayor Williams, and the entire City Council,

Like many of you, I was fortunate enough to have attended the Celebration of Service last night for Andy Wilson at the Gold Room. After years of Zoom meetings and social gatherings it was nice to be surrounded by a few hundred of my neighbors for delicious food and drink, great conversation, and of course the celebration of Mr. Wilson's impact on our community.

Several dignitaries spoke, including Mayor Gordo and former mayors Tornek and Bogaard. Although each speaker told a different story, two themes emerged. The first was of the significant role that volunteerism has played in Pasadena's vibrant history. The second was of the intrinsic value of service to others.

With this in mind, I would like to express my support for the reappointment of Councilmember Justin Jones to District 3.

Prior to running for the vacant District 3 seat, Mr. Jones had been active on several Pasadena commissions and stakeholder groups. I met him when he joined me on the Environmental Advisory Commission--which is a role that he would still be holding had it not been for his decision to run for City Council.

Mr. Jones is a Pasadena native who has dedicated his life to public service. In addition to his focus on volunteerism, Mr. Jones is an engineer for Los Angeles County Public Works where he works in the Storm water division.

I cannot think of a better candidate than Mr. Jones.

Sincerely,
