I met Justin Jones early this year after he was appointed to the Environmental Advisory Commission and we met several times to discuss Pasadena's water issues. My take-away was that he was a good listener, quickly comprehended fairly complex problems and demonstrated strategic thinking about those issues. I also got the impression that similar thoughtfulness and concern was directed at many of the other challenges that the City is facing.

Water is going to be increasingly more important to Pasadena in the next 1-5 years and the City is going to need to work through some very difficult solutions to both local and imported water shortages. I believe that Justin would bring thoughtful and constructive dialogue to the City Council and I urge the Councilmembers to once again support his appointment.

RE: LETTER OF SUPPORT TO REAPPOINT JUSTIN L. JONES TO THE
PASADENA CITY COUNCIL

RECEIVED

Dear Mayor, Vice Mayor, and City Council Members:

2022 DEC 13 AM 8:23

I fully support the reappointment of Councilmember Justin L. Jones to the Pasadena City Council as the representative for District 3. Justin has exhibited his deep understanding of municipal government and the issues facing District 3 and the City of Pasadena in his current role as the sitting councilmember. He has demonstrated advocacy for issues that affect District 3 residents and the City of Pasadena. In his short time on the council, he has initiated rich conversations around clearly defining our Conceal to Carry Weapon Permit requirements and meeting our commitment to local hiring.

Councilmember Jones has successfully demonstrated his ability to engage with the community extending beyond his former role as the chair of the Human Relations Commission and his former chairmanship the Environmental Advisory Commission. He has facilitated conversations and established spaces with individuals, leaders, and stakeholders in the district to listen to their concerns. He has continued to be collaborative, innovative, enthusiastic, and accessible. He has exhibited kindness, integrity, and professionalism in all his interactions.

Councilmember Jones's dedication, personal connection to the City of Pasadena, and understanding of City and County ordinances, government, finance, budgeting etc. makes him the best candidate for the diverse Council District 3. He is highly respected across the City of Pasadena and has done so much to elevate the district in these few months.

I urge you to reappoint Councilmember Justin L. Jones.

Thank you for your time and consideration.

Sincerely,

Vielka Stanley

He has listened. Please give him time to consider and take action on issues affecting our neighborhood. Issues are complicated and can't be solved overnight or even in a few months. I am a resident of Mr. Jones' District 3 living at the RAYMOND RENAISSANCE CONDOMINIUMS at [redacted] I was past President of this project, and am still an active member of the Board of Directors responsible as Treasurer. I am also President & CEO of JITCO GROUP LIMITED, another entity based in District 3.

I had a good working relationship with our former Councilman Mr. John Kennedy, who is missed very much. So, I was slightly apprehensive as to who would fill his position after his sudden demise.

Subsequently, I took the initiative to seek out and meet Mr. Jones to gauge him and make my own judgement about his ability to serve as our representative effectively as a City Council Member. t.

I met him and was pleased and impressed by his intellect, quick grasp of both the "bigger picture" as well as the "nuts and bolts" of the issues. I trust his professional background, as well as having grown up in Pasadena equipped him with the qualities to quickly grasp and help develop solutions for our issues.

Finally, I would like to say that his relatively young age should be an asset to the council as he brings dynamism and energy. I think given his personality, he will be open minded about learning from his fellow council members and City staff.

As such, I would like to recommend to the City of Pasadena to Reappoint Mr. Justin Joes as our District 3 City Council Member.

Dear Mayor, Vice Mayor and City Council Members:

I live and own property in District 3 and I heartily endorse Justin Jones being appointed again to fill the Council vacancy in District 3. Justin has many qualifications and has indicated an understanding of the issues facing Pasadena including affordable housing, public safety, employment/small business opportunities, traffic safety, quality of life, and especially water quality and availability through his profession as a Civil Engineer. He chairs the Environmental Advisory Commission and the environment is a huge issue for everyone in the City.

Justin hit the ground running since his recent appointment, is doing a great job and has demonstrated a clear understanding of City ordinances, functioning, budget, etc. Further, he has demonstrated an interest in the entire District — in particular, the Playhouse Village — which is a fast growing section of the City. In fact, Justin is the only candidate to solicit support and to ask what our issues are in Playhouse Village.

Further, Justin is young and enthusiastic. He wants to serve! He was mentored by John Kennedy and John told him to think big. He would be the best possible candidate for this diverse district and bring youth and vitality as well as a huge understanding of environmental issues facing our City. He has shown that he intends to listen as much as lead, and this quality is vital to the success of our large and diverse District 3.

Please reappoint Justin as our next Council Person for District 3.

City of Pasadena

SUBJECT: Reappointment of Justin Jones to District 3 City Council Seat

Dear Mayor Gordo and Council Members:

Our family has lived in the Garfield Heights neighborhood (District 3) for nearly 20 years, although our connections to Pasadena go back much further. We were greatly saddened to learn of Council Member Kennedy's passing, and have been watching the election and appointment processes unfold.

I am writing today to support the reappointment of Justin Jones to the District 3 Council seat.

In his short time on Council, Council Member Jones has reached out to many of us, hearing our concerns and mastering the issues that are important to us. His education, experience and character make him an excellent choice; his experience in engineering brings a new dimension to Council deliberations. His family has deep ties to our city. He and his family are part of our larger neighborhood.

He has proven a good listener, insightful and committed to helping strengthen our neighborhoods, meet our housing needs, ensure equitable and sustainable development, and build needed infrastructure.

I hope you will allow Council Member Jones to continue progress on the good work he is starting to accomplish. We know these are difficult decisions, but I am pleased to stand behind Council Member Jones, and hope you will too. Thank you for your time and attention.

Honorable Mayor and Members of City Council

City of Pasadena

100 N. Garfield Ave.

Pasadena, CA 91101

re: In support of the re-appointment of Justin L. Jones for Pasadena District 3 City Council

Dear Mayor Gordo and City Council Members,

I have lived in District 3 in Garfield Heights since 2000.

I am writing to support the re-appointment of Justin Jones to the District 3 Council seat.

I have had the pleasure of meeting him and speaking with him on several occasions during the last few weeks since his appointment to replace my long-time friend John Kennedy. My conversations with Justin have convinced me of his professionalism, his desire to listen to the concerns of the residents of District 3 and Garfield Heights, and his sincerity about representing our best interests on the City Council.

He invited me, as the Chair of the Garfield Heights Neighborhood Association, to attend a conversation with himself and other leaders within District 3. After briefly introducing himself, he asked neighbors to share our concerns and hopes for the District. Justin listened carefully, asked excellent questions, and took notes as each person took their turn. I was really impressed when he followed up with me the very next day with resources and contact information, as well as an offer to personally help. I can only imagine that he did the same thing for everyone present at that meeting. Justin's enthusiasm and accessibility has left a great impression on me. I believe that **Justin is excited to collaborate with neighbors, will work hard to find solutions, and will advocate on our behalf at City Hall.**

As a person, I find Justin to be **very agreeable, kind, and empathetic.** He seems to be comfortable speaking to all types of people and puts everyone at ease instantly. This is important to us because Garfield Heights is a community that takes pride in its cultural and racial diversity. That is why we were particularly proud of Council member John Kennedy taking the lead on the historical monuments for the 10 West development. I hope and think that Justin will also be a strong and passionate advocate for equity and diversity as well.

12/15/2022
Item 3

Here in Garfield Heights, we also enjoy gathering as a community to have fun. Justin has already attended a few of our social events and has engaged with many neighbors. Justin stopped by our November Board meeting to introduce himself to our Board. He asked to join our newsletter mailing list and our private Facebook Group page. He seems truly invested in meeting neighbors and getting involved. He even joined us on a monthly Trash Walk one Sunday morning! John Kennedy always loved and attended our Block Party every year and he will be greatly missed next year. The last time most of us saw him was at our June Block Party and we plan to dedicate the Block Party for him next year. It was important to us that he attended every single year. I'm sure Justin will also become a regular, and I know John would have loved that his successor will take his place buying goodies at the Bake Sale booth!

GHNA is also known for its historic architecture and in 1998, became the City of Pasadena's second Historic Landmark District. Needless to say, preserving the beautiful historic character of the neighborhood is a high priority for many neighbors here. Since Justin lives near GHNA, we know he understands this.

Additionally, Justin's background as an engineer will be a wonderful asset for the Council, especially when it comes to water issues. I am also personally excited about his advocacy for environmental issues and hope to work with him to make Pasadena a greener, more sustainable place.

I hope you will re-appoint Justin Jones as our District 3 Council member. I think he will do a wonderful job representing Garfield Heights and District 3 and I look forward to working with him.

Respectfully,

Lisa Mann

Dear Mayor Gordo and Councilmembers,

My name is Jeff Cyrulewski, and I'm a Pasadena resident and a resident of District 3. I support reappointing Justin Jones to our council seat. Justin's knowledge and experience, along with both his concern and enthusiasm for Pasadena and Pasadenans is something we've all in District 3 had the chance to see over the last couple of months. I especially appreciate Justin's comments in Council meetings on local hiring, carrying on not only a cause that was important to the late John Kennedy, but I know to all of you as well, along with the community. Justin does a superb job of thoughtfully encapsulating and representing the Council's views and desires on local hiring and I hope he can continue to do so.

I also hope that Brandon Lamar stays as engaged as he is now in local politics. Brandon's life experience and heart should continue to be a part of our city. To echo what you all said in September, both Justin and Brandon are excellent candidates for the seat. I think they both have bright futures in Pasadena politics and no matter what happens tonight, I hope they both continue to be part of the fabric of our District 3 community.

Thank you,
Jeff Cyrulewski

**RE: LETTER OF SUPPORT FOR REAPPOINTMENT OF JUSTIN L. JONES TO THE
PASADENA CITY COUNCIL**

Dear Mayor, Vice Mayor, and City Council Members:

I write to you to extend full support for the reappointment of my husband, **Justin L. Jones**, to the Pasadena City Council District 3 seat.

My position, naturally, has not changed. I can attest to you that Justin is the right choice to serve as the councilmember for District 3. He has exemplified his ability to be collaborative, thoughtful, honest, and effective.

I have had an inside view of his tenure on the city council. On countless nights he has spoken on the phone to residents. He has spent hours meeting with individuals and families throughout the district to fully understand their needs and challenges with city governance. He has approached these conversations as he does with everything, an open ear, open heart, and solution-based responses.

Justin is dedicated and loyal to the City of Pasadena. He has continuously demonstrated and attested to his love of Pasadena. Being a native of Pasadena has allowed him years of relationship development and a deep understanding of the challenges experienced by all who live and work in this great city. Being a public servant is more than often a thankless job, however, it is fulfilling, especially when you have the opportunity to do so in your own community. Being a representative for the district on the council, has been a privilege that I know Justin does not take lightly.

I believe an essential characteristic of any representative in municipal government is the ability to be transparent, collaborative, and accessible and demonstrates a deep love for the people they represent. Given the opportunity, Justin has will continue to meet these needs in a meaningful and thoughtful way.

Thank you for your time and consideration.

Sincerely,

Natalya Romo-Jones, M.P.A.

Justin has exhibited his deep understanding of municipal government and the issues facing District 3 and the City of Pasadena in his current role as the sitting councilmember. He has demonstrated advocacy for issues that affect District 3 residents and the City of Pasadena. In his short time on the council, he has initiated rich conversations around clearly defining our Conceal to Carry Weapon Permit requirements and meeting our commitment to local hiring.

Councilmember Jones has successfully demonstrated his ability to engage with the community extending beyond his former role as the chair of the Human Relations Commission and his former chairmanship of the Environmental Advisory Commission. He has facilitated conversations and established spaces with individuals, leaders, and stakeholders in the district to listen to their concerns. He has continued to be collaborative, innovative, enthusiastic, and accessible. He has exhibited kindness, integrity, and professionalism in all his interactions.

Councilmember Jones's dedication, personal connection to the City of Pasadena, and understanding of City and County ordinances, government, finance, budgeting, etc. makes him the best candidate for the diverse Council District 3. He is highly respected across the City of Pasadena and has done so much to elevate the district in these few months.

I urge you to reappoint Councilmember Justin L. Jones.

Thank you for your time and consideration.

Sincerely,
