To Whom in May Concern:

I just want to let it be known that I support the idea of the Rose Bowl bringing in and adding mini-golf at the Rose Bowl site, if the City Council determines that the plan is economically feasible. It is critical that the Rose Bowl remain financially healthy. It is my hope that light pollution will be kept to a minimum, in consideration of the neighbors.

It is my understanding that the specific item on the agenda for Monday is to move forward with further study. That should happen.

Thank you,
