Dear Mayor Gordo and City Councilmembers,

The Playhouse Village Association supports the inclusion of three streetscape projects for Colorado Boulevard, Lake Avenue, and Mentor Avenue in the FY23-27 Capital Improvements Program as proposed by staff. These three projects will make transformational impacts in the core of our city to improve economic and pedestrian activity, and we appreciate the work of City staff to support these efforts. We look forward to our partnership to seek funding for these projects in the coming years.

Thank you for your consideration.
