REASON WHY LEGISLATION IS NEEDED

This legislation is needed to balance a variety of uses in the South Fair Oaks Specific Plan that support the City's creative and economic vitality while providing housing opportunities with convenient access to public transportation and major institutions such as the ArtCenter College of Design Campus and Huntington Health. This legislation is further necessary to refine the boundaries of the South Fair Oaks Specific Plan (and corresponding changes to the Central District Specific Plan), in support of the Plan's vision, goals, policies, regulations, standards, guidelines and implementation actions.
