Mr. Mayor and City Councilors

Thank you for allocating funds to Trinity Lutheran Church for improvements to make possible the operation of Bad Weather Shelter services..

You well know the need for more shelter for our unhoused neighbors. Trinity Lutheran has already demonstrated its concern by accepting persons in need for Safe Parking. This shelter will expand the number of persons who can be given a place out of the storms. This allocation is a good Investment. It will not be enough, but it will definitely help.

Thank you for making this program possible again.
