**Subject:** Happy New Year

Hello Michael,

Happy new year to you and your family. I wish you a successful and prosperous year ahead. I wanted to let you know that I am moving on and have a GM role at a new hotel in the Anaheim area called The VIV. MY last day at the Westin is going to be on the 13th. It was a pleasure working with you and the CVB board members and I wish everyone the best.

Regards,  
Siamak
