Hello,

Please use this email as an official resignation from the Commission on the Status of Women. Personal circumstances have changed, as previously informed, I am not available to attend the November nor the December Meetings so I find this an appropriate time to submit this email. There are a couple of pending tasks I was working on however they can be easily completed by another commissioner.

For the last six months, I was glad to work with such incredible women, the work you are doing is commendable. I wish the Commission much success in your future endeavors.

Sincerely,
Mary Urtecho-Garcia
