Councilmember Lyon -

I wanted to send you a note to formally resign from the Human Resources Commission today.

I've already notified Chair Greenstein of this as well. Given the recent departure of another commissioner on the HRC, I didn't want my future absences due to my job to impact the Commission's ability to reach quorum for their monthly meetings. It would seem best for the Commission if I were to formally resign.

Again, I appreciate the opportunity I was given to serve. Thank you!

-Daniel
