I can't attend this year, Deputy Director. Thank you very much, however.

Per our conversation Deputy This is my statement that as of July 30, 2024 I will resign from my position as Commissioner on the Status of Women, serving the First District, Pasadena City Councilman Tyron Hampton. It has been a gift to represent such a wish and decayed leader who will continue to guide the Pasadena Community. I wish the best for all of the Commissioners I worked with throughout the year. I supported all of our Committee activities and especially enjoyed Empowered Girls Celebrate Themselves and Nature. I thank our Honorable Mayor Victor Gordo who permitted me to serve. Go bless all.

Commissioner Alicia Dhanifu,
First District, Commission on the Status of Women

Meeting of: 7/22/2024
