Dear Mayor and City Councilors,

I am a long time Jewish resident of Pasadena.

I have been deeply alarmed by the genocide occurring in Gaza. Since Oct. 7, over 38,000 people have been killed by Israeli forces. Most recently, Israel has escalated bombardment of Rafah, “the last safe zone” in Gaza where more than 1.5 million displaced Palestinians are seeking refuge.

Additionally, a majority of people in Gaza are facing starvation due to humanitarian aid being blocked with the UN warning of famine as soon as May.

It is critical that we respond firmly and strongly with a ceasefire resolution. Please join the over 70 US cities, including San Francisco, Cudahy, Oakland, and Pomona in voting for a ceasefire by voting “Yes” on the resolution introduced by Councilmember Rivas, this Monday

Thank you,

Alison Feuerwerker

Dear Mayor and City Councillors,

I'm a Jewish resident of northwest Pasadena. I've been deeply involved in the community for many years, and the fact that we have community members losing dozens of their family members in Gaza currently is absolutely heartbreaking.

Growing up I heard a lot about the Jewish Holocaust from my grandfather, and how it was my sacred duty as a Jew to Never Again allow a Holocaust to happen to *any* people *anywhere*, which is why I am obligated to speak up now, in honor of my grandfather.

Over 20 children have already starved to death in Gaza. One child is too many, and thousands more currently face the same fate if a ceasefire is not passed immediately. No matter what kind of pressure you are getting from Zionists, no matter how much they tell you it's antisemitic to ask them to stop killing children, as the great granddaughter of Holocaust survivors I tell you there is nothing more anti-Jewish than committing genocide in our name.

It is critical that we respond firmly and strongly with a ceasefire resolution. Please join the over 70 US cities, including San Francisco, Cudahy, Oakland, Santa Ana, Bell Gardens and Pomona in voting for a ceasefire by voting "Yes" on the resolution introduced by Council member Rivas, this Monday.

This is a moment that will be remembered forever in history, so please ask yourselves who you want to be in that moment, and how you want your grandchildren to speak about you in the future.

Thank you,

Marley Feuerwerker-Otto

Dear Mayor Gordo,

I am writing you today to urge you not to adopt any biased "ceasefire" resolution that would fuel divisions and hate in our community, while harming efforts to end the horrific October 7th War.

I want an end to the fighting and suffering in Gaza and Israel, as I'm sure you do. However, biased "ceasefire" city council resolutions have been shown to have no impact on this complex conflict. In fact, what the Jewish community has witnessed is that resolutions like this actually fuel more hate towards Jews and anyone else who does not believe cities should weigh in on international issues. There are many examples of such hate, including in the Oakland and Long Beach city councils.

I feel it is important to remind you of the following:

1. A ceasefire existed on October 6 but was broken by Hamas on October 7 when they brutally attacked Israel, killing 1,200 innocent civilians and kidnapping 253 people – ranging in age from 9 months to 85 years old.
2. Israel has accepted terms laid out by international negotiators for an extended ceasefire and drastic increase in humanitarian aid to Gaza. It is Hamas that has thus far rejected such a ceasefire.
3. There would be a permanent ceasefire tomorrow if Hamas would release all hostages, lay down its arms, and allow Israelis and Palestinians to rebuild in peace and security.

The type of "ceasefire" you are being pressured to support would not bring a just or lasting peace. What it would do is help Hamas, a genocidal terrorist group, maintain its grip on power in Gaza and continue its endless war against Israel. While I do not believe municipal governments should address international affairs at all, if you choose to adopt a resolution on this issue it must include a clear call for Hamas to release all hostages and surrender now.

I know that the Pasadena City Council wants to do the right thing and bring about an end to the humanitarian crisis, but this symbolic gesture will do nothing more than bring more hate and animosity towards the Jewish community.

I urge you not to adopt a resolution and use your energy to bring people together, rather than further dividing us.

Sincerely,
R Feldman

Dear Mayor Gordo,

I work and attend church in Pasadena. I am emailing you to urge you to vote "yes" to the resolution condemning the genocide in Gaza and calling for a ceasefire on Monday March 18.

Human Rights Watch agrees with the International Court of Justice that Israel's actions in Gaza constitute a genocide and urges other countries to "use all forms of leverage, including sanctions and embargoes, to press the Israeli government to comply with the court's binding orders in the genocide case."

Human Rights Watch has also previously called the conditions in the West Bank and Gaza "apartheid" conditions.

The Israeli human rights group, B'T Selem, accuses Israel of War Crimes in Gaza and states, "...this policy is not new, but has been implemented towards Gaza for many years. The death, destruction, pain and horror it has wrought have led to nothing but more horror."

Pasadena can do our part by passing a ceasefire resolution now.

Grateful for your work,

Dear Council Members,

We are reaching out in opposition to a ceasefire resolution that will be proposed at your meeting.

While this appears to be a resolution in favor of peace, in fact it is a propaganda move to incite anti-Democracy, anti-Israel, and anti-Jewish sentiments. We urge you to refuse to even consider the resolution.

These politically motivated resolutions are circulating in “toolkits” sent out by the Committee on American Islamic Relations (CAIR) and other terrorist network support groups in the U.S. [1]. The toolkits overtly state that they do not care about the wording; they just want to be able to claim that the city/county has denounced Israel. They have unfailingly proved divisive to the community and have had the effect of pitting sides against each other in antipathy rather than bonding them together in a mutual desire for peace.

There is no possibility of a ceasefire while Hamas is still in power. As Senator Marco Rubio (R-FL) said, “Israel must destroy every element of Hamas,” who’s sole and sinister purpose is to eradicate Israel and the Jewish people [2]. For your reference, we have provided excerpts from the Hamas charter below [3].

Hamas has rejected proposals for months-long pauses in fighting simply in exchange for releasing the hostages. They have vowed to draw Israel into an eternal war, manipulating public opinion and thwarting the process of normalization underway between Israel and several Arab countries. Please note that there was in fact a ceasefire in place on October 7, when Hamas slaughtered Israelis, Americans, and Foreign Nationals in the most barbaric ways seen in centuries. Hamas vows to repeat this over and over even after a new ceasefire agreement is reached.

Furthermore, we urge you not to approve any resolution whose language parrots a false narrative claiming that Jewish people in Israel are colonizers engaged in a 75-year occupation. In fact there has been a Jewish presence in Israel for the past 3,000 years. They are neither colonizers, nor “occupiers” in Gaza - Gaza has been independent since 2005 when Israel removed all its residents and military from Gaza. In 2006, Gazans voted Hamas into power and they have been under Hamas rule since. Nonetheless, anti-Israel and anti-Jewish voices claim that Israel is occupying Gaza and that “resistance is justified”, spreading dangerous misinformation about a democratic country that is used as a justification for terrorism.

As a city council, you represent your local residents in municipal decisions. If the city council were to engage in international affairs, you would likely need to vote on various matters, such as the ongoing Syrian war, the Yemen Civil War, the Rohingya Crisis, the South Sudanese

Civil War, and numerous other global issues.

Sadly, ceasefire resolutions have been considered in many city councils in the past few months, and each time rather than enhance peace, they have brought with them vitriol, which has contributed to the 400% increase in anti-Semitism in this country [4]. We have most recently witnessed alarming Neo-Nazi marches in Nashville, the apprehension of an individual plotting to harm the Jewish community in Indiana, physical harm inflicted on Jews on college campuses, the murder of a Jewish man in San Diego and the unsettling cancellation of all college classes in Queens due to a credible terrorist threat.

Normalizing hate against Jews fuels white supremacy, which is seeing an unprecedented growth. The normalization of hate against Jews inadvertently is going to impact ALL minorities. We don't need any more hate in this country. We cannot regress as a country.

Jewish people do not advocate for unnecessary conflicts; it's not in our nature. Our priority is the safe return of our innocent civilians who are being held hostage, possibly under very violent conditions. Additionally, we must protect ourselves from a hostile terrorist organization that harbors destructive intentions towards Jews. Let's be clear, Hamas is waging a war against the Jewish people and democracy itself. Senior Hamas official Mahmoud Al-Zahar stated on December 12, 2022, "The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity." (source: <http://tinyurl.com/5n8298r4>)

Furthermore, with all the international conflicts that have not merited your attention, deciding to suddenly weigh in on Israel's foreign policy would send a dual message: a) that a democracy has no right to defend itself against barbaric terrorism, and b) that you hold Israel to a different standard than other countries.

The European Parliament has passed a stipulation that any call for a ceasefire should be conditional on the complete dismantling of Hamas and the immediate and unconditional release of hostages. We hope you would agree.

Thank you for your consideration.

Sincerely,
Leah Fischler

In 2006, Gazans voted Hamas into power and they have been under Hamas rule since. Nonetheless, anti-Israel and anti-Jewish voices claim that Israel is occupying Gaza and that “resistance is justified”, spreading dangerous misinformation about a democratic country that is used as a justification for terrorism.

As a city council, you represent your local residents in municipal decisions. If the city council were to engage in international affairs, you would likely need to vote on various matters, such as the ongoing Syrian war, the Yemen Civil War, the Rohingya Crisis, the South Sudanese

Civil War, and numerous other global issues.

Sadly, ceasefire resolutions have been considered in many city councils in the past few months, and each time rather than enhance peace, they have brought with them vitriol, which has contributed to the 400% increase in anti-Semitism in this country [4]. We have most recently witnessed alarming Neo-Nazi marches in Nashville, the apprehension of an individual plotting to harm the Jewish community in Indiana, physical harm inflicted on Jews on college campuses, the murder of a Jewish man in San Diego and the unsettling cancellation of all college classes in Queens due to a credible terrorist threat.

Normalizing hate against Jews fuels white supremacy, which is seeing an unprecedented growth. The normalization of hate against Jews inadvertently is going to impact ALL minorities. We don't need any more hate in this country. We cannot regress as a country.

Jewish people do not advocate for unnecessary conflicts; it's not in our nature. Our priority is the safe return of our innocent civilians who are being held hostage, possibly under very violent conditions. Additionally, we must protect ourselves from a hostile terrorist organization that harbors destructive intentions towards Jews. Let's be clear, Hamas is waging a war against the Jewish people and democracy itself. Senior Hamas official Mahmoud Al-Zahar stated on December 12, 2022, "The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity." (source: <http://tinyurl.com/5n8298r4>)

Furthermore, with all the international conflicts that have not merited your attention, deciding to suddenly weigh in on Israel's foreign policy would send a dual message: a) that a democracy has no right to defend itself against barbaric terrorism, and b) that you hold Israel to a different standard than other countries.

The European Parliament has passed a stipulation that any call for a ceasefire should be conditional on the complete dismantling of Hamas and the immediate and unconditional release of hostages. We hope you would agree.

Thank you for your consideration.

Sincerely,
Cheryl Fisher

I write to you as a constituent and as a member of Amnesty International USA with deep concern over the escalating conflict in Gaza and Israel. The U.S. government – including at the local level – is uniquely positioned to have tremendous impact in this conflict to ensure the protection of civilians and prevent further suffering.

Since October 7, we have witnessed horror unfolding on an unimaginable scale in the Occupied Palestinian Territories and Israel. More than 2 million Palestinians in the occupied Gaza Strip are struggling to survive amid the Israeli military's ongoing offensive, and the level of civilian casualties has been unprecedented.

I am encouraging you to publicly call for an immediate ceasefire and appeal to the Israeli government to allow life-saving fuel, water, and food into Gaza.

The majority of Americans support a ceasefire, but President Biden has yet to call for one. In response, towns and cities across the country are rising up to pass their own resolutions. I ask that you, in your capacity, do what you can to help to pass one here.

The need for an immediate ceasefire by all parties is more urgent than ever to protect civilians, prevent a mounting civilian death toll in Gaza, prevent further displacement of Palestinians, and provide an opportunity to secure the safe release of the remaining hostages.

Thank you for your consideration.

Edward Fisher

Dear Mayor Gordo,

I am writing you today to urge you not to adopt any biased "ceasefire" resolution that would fuel divisions and hate in our community, while harming efforts to end the horrific October 7th War.

I want an end to the fighting and suffering in Gaza and Israel, as I'm sure you do. However, biased "ceasefire" city council resolutions have been shown to have no impact on this complex conflict. In fact, what the Jewish community has witnessed is that resolutions like this actually fuel more hate towards Jews and anyone else who does not believe cities should weigh in on international issues. There are many examples of such hate, including in the Oakland and Long Beach city councils.

I feel it is important to remind you of the following:

1. A ceasefire existed on October 6 but was broken by Hamas on October 7 when they brutally attacked Israel, killing 1,200 innocent civilians and kidnapping 253 people – ranging in age from 9 months to 85 years old.
2. Israel has accepted terms laid out by international negotiators for an extended ceasefire and drastic increase in humanitarian aid to Gaza. It is Hamas that has thus far rejected such a ceasefire.
3. There would be a permanent ceasefire tomorrow if Hamas would release all hostages, lay down its arms, and allow Israelis and Palestinians to rebuild in peace and security.

The type of "ceasefire" you are being pressured to support would not bring a just or lasting peace. What it would do is help Hamas, a genocidal terrorist group, maintain its grip on power in Gaza and continue its endless war against Israel. While I do not believe municipal governments should address international affairs at all, if you choose to adopt a resolution on this issue it must include a clear call for Hamas to release all hostages and surrender now.

I know that the Pasadena City Council wants to do the right thing and bring about an end to the humanitarian crisis, but this symbolic gesture will do nothing more than bring more hate and animosity towards the Jewish community.

I urge you not to adopt a resolution and use your energy to bring people together, rather than further dividing us.

Dear Mayor and City Councilors,

I have been deeply alarmed by the genocide occurring in Gaza. Since Oct. 7, over 38,000 people have been killed by Israeli forces. Most recently, Israel has escalated bombardment of Rafah, “the last safe zone” in Gaza where more than 1.5 million displaced Palestinians are seeking refuge.

Additionally, a majority of people in Gaza are facing starvation due to humanitarian aid being blocked with the UN warning of famine as soon as May.

It is critical that we respond firmly and strongly with a ceasefire resolution. Please join the over 70 US cities, including San Francisco, Cudahy, Oakland, and Pomona in voting for a ceasefire by voting “Yes” on the resolution introduced by Councilmember Rivas, this Monday

Thank you,

To Mayor Gordo and City Council Members:

I am sending in a comment regarding the resolutions on Monday's meeting agenda.

While the Gaza conflict and resulting humanitarian crisis clearly is one of the most critical issues facing our world today, I'm not sure why our City Council is taking up this issue as its own. We look to our local elected leaders to tackle the problems facing our immediate community. Debating national and international issues, over which the Council has no authority, is a distraction from the many important issues facing Pasadena right now. I believe our City Council members and our Mayor should be focusing on the issues facing Pasadena: homelessness, lack of green spaces, how to balance development and a growing city, and our ever-increasing traffic problems. Debating international issues and issuing purely symbolic resolutions on them does not get us any closer to solutions needed here for Pasadena.

Good afternoon- I understand there will be two resolutions on Monday's meeting agenda about the Israel/Hamas ceasefire conflict. I agree with the Jewish Federation that local government bodies should stay focused on local matters and should not adopt official positions on national political issues. I do agree that moments like these actually cause more division and make it hard to reach the common goal of pursuing a high functioning city which provides the services we need to live our lives. I have been noticing that many on council have been spending more time on national issues instead of caring for their actual responsibility of municipal concerns. In fact, I have been keen to notice an uptake in more graffiti, empty tree wells, trash and snarled traffic in our streets. Please stay focused on keeping a really fine city at its finest rather than focusing on national issues that will not result in any gain for us as Pasadena residents with your participation. You could spend all day doing this with so many issues if you decide to take a stand. It won't stop. Erika Foy

What it would do is help Hamas, a genocidal terrorist group, maintain its grip on power in Gaza and continue its endless war against Israel. While I do not believe municipal governments should address international affairs at all, if you choose to adopt a resolution on this issue it must include a clear call for Hamas to release all hostages and surrender now.

I know that the Pasadena City Council wants to do the right thing and bring about an end to the humanitarian crisis, but this symbolic gesture will do nothing more than bring more hate and animosity towards the Jewish community.

I urge you not to adopt a resolution and use your energy to bring people together, rather than further dividing us.

Sincerely,
Kathy Friend

Dear Council Members,

We are reaching out in opposition to a ceasefire resolution that will be proposed at your meeting.

While this appears to be a resolution in favor of peace, in fact it is a propaganda move to incite anti-Democracy, anti-Israel, and anti-Jewish sentiments. We urge you to refuse to even consider the resolution.

These politically motivated resolutions are circulating in “toolkits” sent out by the Committee on American Islamic Relations (CAIR) and other terrorist network support groups in the U.S. [1]. The toolkits overtly state that they do not care about the wording; they just want to be able to claim that the city/county has denounced Israel. They have unfailingly proved divisive to the community and have had the effect of pitting sides against each other in antipathy rather than bonding them together in a mutual desire for peace.

There is no possibility of a ceasefire while Hamas is still in power. As Senator Marco Rubio (R-FL) said, “Israel must destroy every element of Hamas,” who’s sole and sinister purpose is to eradicate Israel and the Jewish people [2]. For your reference, we have provided excerpts from the Hamas charter below [3].

Hamas has rejected proposals for months-long pauses in fighting simply in exchange for releasing the hostages. They have vowed to draw Israel into an eternal war, manipulating public opinion and thwarting the process of normalization underway between Israel and several Arab countries. Please note that there was in fact a ceasefire in place on October 7, when Hamas slaughtered Israelis, Americans, and Foreign Nationals in the most barbaric ways seen in centuries. Hamas vows to repeat this over and over even after a new ceasefire agreement is reached.

Furthermore, we urge you not to approve any resolution whose language parrots a false narrative claiming that Jewish people in Israel are colonizers engaged in a 75-year occupation. In fact there has been a Jewish presence in Israel for the past 3,000 years. They are neither colonizers, nor “occupiers” in Gaza - Gaza has been independent since 2005 when Israel removed all its residents and military from Gaza. In 2006, Gazans voted Hamas into power and they have been under Hamas rule since. Nonetheless, anti-Israel and anti-Jewish voices claim that Israel is occupying Gaza and that “resistance is justified”, spreading dangerous misinformation about a democratic country that is used as a justification for terrorism.

As a city council, you represent your local residents in municipal decisions. If the city council were to engage in international affairs, you would likely need to vote on various matters, such as the ongoing Syrian war, the Yemen Civil War, the Rohingya Crisis, the South Sudanese

Civil War, and numerous other global issues.

Sadly, ceasefire resolutions have been considered in many city councils in the past few months, and each time rather than enhance peace, they have brought with them vitriol, which has contributed to the 400% increase in anti-Semitism in this country [4]. We have most recently witnessed alarming Neo-Nazi marches in Nashville, the apprehension of an individual plotting to harm the Jewish community in Indiana, physical harm inflicted on Jews on college campuses, the murder of a Jewish man in San Diego and the unsettling cancellation of all college classes in Queens due to a credible terrorist threat.

Normalizing hate against Jews fuels white supremacy, which is seeing an unprecedented growth. The normalization of hate against Jews inadvertently is going to impact ALL minorities. We don't need any more hate in this country. We cannot regress as a country.

Jewish people do not advocate for unnecessary conflicts; it's not in our nature. Our priority is the safe return of our innocent civilians who are being held hostage, possibly under very violent conditions. Additionally, we must protect ourselves from a hostile terrorist organization that harbors destructive intentions towards Jews. Let's be clear, Hamas is waging a war against the Jewish people and democracy itself. Senior Hamas official Mahmoud Al-Zahar stated on December 12, 2022, "The entire 510 million square kilometers of Planet Earth will come under [a system] where there is no injustice, no oppression, no treachery, no Zionism, no treacherous Christianity." (source: <http://tinyurl.com/5n8298r4>)

Furthermore, with all the international conflicts that have not merited your attention, deciding to suddenly weigh in on Israel's foreign policy would send a dual message: a) that a democracy has no right to defend itself against barbaric terrorism, and b) that you hold Israel to a different standard than other countries.

The European Parliament has passed a stipulation that any call for a ceasefire should be conditional on the complete dismantling of Hamas and the immediate and unconditional release of hostages. We hope you would agree.

Thank you for your consideration.

Sincerely,

Mordechai Friedman

Dear Mayor Gordo,

I am writing you today to urge you not to adopt any biased "ceasefire" resolution that would fuel divisions and hate in our community, while harming efforts to end the horrific October 7th War.

I want an end to the fighting and suffering in Gaza and Israel, as I'm sure you do. However, biased "ceasefire" city council resolutions have been shown to have no impact on this complex conflict. In fact, what the Jewish community has witnessed is that resolutions like this actually fuel more hate towards Jews and anyone else who does not believe cities should weigh in on international issues. There are many examples of such hate, including in the Oakland and Long Beach city councils.

I feel it is important to remind you of the following:

1. A ceasefire existed on October 6 but was broken by Hamas on October 7 when they brutally attacked Israel, killing 1,200 innocent civilians and kidnapping 253 people – ranging in age from 9 months to 85 years old.
2. Israel has accepted terms laid out by international negotiators for an extended ceasefire and drastic increase in humanitarian aid to Gaza. It is Hamas that has thus far rejected such a ceasefire.
3. There would be a permanent ceasefire tomorrow if Hamas would release all hostages, lay down its arms, and allow Israelis and Palestinians to rebuild in peace and security.

The type of "ceasefire" you are being pressured to support would not bring a just or lasting peace. What it would do is help Hamas, a genocidal terrorist group, maintain its grip on power in Gaza and continue its endless war against Israel. While I do not believe municipal governments should address international affairs at all, if you choose to adopt a resolution on this issue it must include a clear call for Hamas to release all hostages and surrender now.

Dear Mayor and City Councilors,

I have been deeply alarmed by the genocide occurring in Gaza. Since Oct. 7, over 38,000 people have been killed by Israeli forces. Most recently, Israel has escalated bombardment of Rafah, “the last safe zone” in Gaza where more than 1.5 million displaced Palestinians are seeking refuge.

Additionally, a majority of people in Gaza are facing starvation due to humanitarian aid being blocked with the UN warning of famine as soon as May.

It is critical that we respond firmly and strongly with a ceasefire resolution. Please join the over 70 US cities, including San Francisco, Cudahy, Oakland, and Pomona in voting for a ceasefire by voting “Yes” on the resolution introduced by Councilmember Rivas, this Monday.

Thank you,
Charlotte Frankel

Dear Council Members,

I am writing in regard to the upcoming meeting on March 18th where you are voting on taking a stance on the Hamas/Israel war. I am expressing my concern on the members voting on a stance when that does not necessarily represent the views of the residents. As a Jewish person i'm asking the city council to focus on matters that affect Pasadena not the middle east.

On Oct 7th Israel was attacked. There are hostages that are still being held captive. A baby is being held captive. Hamas has committed atrocities. That being said this has nothing to do with Pasadena and the council should not get involved. Standing with either side will divide people more rather than unite. I personally stand with Israel and praying for the release of all of the hostages.

Imagine if your mother, sister, father, brother was kidnapped by a terrorist organization that vows to kill all jews and is vowing to commit atrocities again. Israel did not start this war. Hamas is hiding in hospitals, schools, homes. There are people with different opinions and I don't believe taking a stance will represent their views.

Dear Mayor Gordo,

I am writing you today to urge you not to adopt any biased "ceasefire" resolution that would fuel divisions and hate in our community, while harming efforts to end the horrific October 7th War.

I want an end to the fighting and suffering in Gaza and Israel, as I'm sure you do. However, biased "ceasefire" city council resolutions have been shown to have no impact on this complex conflict. In fact, what the Jewish community has witnessed is that resolutions like this actually fuel more hate towards Jews and anyone else who does not believe cities should weigh in on international issues. There are many examples of such hate, including in the Oakland and Long Beach city councils.

I feel it is important to remind you of the following:

1. A ceasefire existed on October 6 but was broken by Hamas on October 7 when they brutally attacked Israel, killing 1,200 innocent civilians and kidnapping 253 people – ranging in age from 9 months to 85 years old.
2. Israel has accepted terms laid out by international negotiators for an extended ceasefire and drastic increase in humanitarian aid to Gaza. It is Hamas that has thus far rejected such a ceasefire.
3. There would be a permanent ceasefire tomorrow if Hamas would release all hostages, lay down its arms, and allow Israelis and Palestinians to rebuild in peace and security.

The type of "ceasefire" you are being pressured to support would not bring a just or lasting peace. What it would do is help Hamas, a genocidal terrorist group, maintain its grip on power in Gaza and continue its endless war against Israel. While I do not believe municipal governments should address international affairs at all, if you choose to adopt a resolution on this issue it must include a clear call for Hamas to release all hostages and surrender now.

I know that the Pasadena City Council wants to do the right thing and bring about an end to the humanitarian crisis, but this symbolic gesture will do nothing more than bring more hate and animosity towards the Jewish community.

I urge you not to adopt a resolution and use your energy to bring people together, rather than further dividing us.

Sincerely,
Michael Gabai

Dear Mayor and City Council Members ,

I am writing to you today to urge you NOT to adopt any biased “ceasefire” resolution that would fuel divisions and hate in our community, while harming efforts to end the horrific October 7th war started by Hamas.

I too want to see an end to the fighting and suffering in both Gaza and Israel, as you do. However, biased cease-fire city council resolutions have been shown to have NO impact on the complex conflict. In fact, what the Jewish community has witnessed is that resolutions like this, actually fuel more hate toward Jews, and anyone else who does not believe cities should weigh in on international issues. There are many examples of such hate, including in the Oakland, Irvine, Santa Ana, and Long Beach city councils.

I feel it is important to remind you of the following issues:

1. A Ceasefire existed prior to the October 7th war when Hamas brutally attacked Israel, killing 1200 innocent civilians and kidnapping 253 people, who ranged in age from nine months to 85 years old.
2. Israel has accepted terms laid out by international negotiators for an extended ceasefire and drastic increase in humanitarian aid to Gaza. It is Hamas that has thus far rejected such a ceasefire.
3. There would be a permanent ceasefire now if Hamas would release all hostages, lay down its arms, and allow Israelis and Palestinians to rebuild in peace and security. They have refused!

The type of cease-fire that you are being pressured to support, would not bring a just or lasting peace. What it would do is help Hamas, a genocidal, terrorist group, maintain its grip on power in Gaza, and continue its endless war against Israel. While I do not believe municipal governments, such as yours, should address international affairs at all, if you choose to adopt a resolution on this issue, it must include a clear call for Hamas to release all hostages and surrender now.

I know that the Pasadena city Council wants to do the right thing and bring about an end to the humanitarian crisis, but this symbolic gesture will do nothing more than bring more hate and animosity towards your Jewish community. I urge you not to adopt a resolution, and to use your energies to bring your constituents together, rather than further dividing them.

Respectfully yours,
Gail Geffon

Dear Mayor and City Councilors,

I have been deeply alarmed by the genocide occurring in Gaza. Since Oct. 7, over 38,000 people have been killed by Israeli forces. Most recently, Israel has escalated bombardment of Rafah, “the last safe zone” in Gaza where more than 1.5 million displaced Palestinians are seeking refuge.

Additionally, a majority of people in Gaza are facing starvation due to humanitarian aid being blocked with the UN warning of famine as soon as May.

It is critical that we respond firmly and strongly with a ceasefire resolution. Please join the over 70 US cities, including San Francisco, Cudahy, Oakland, and Pomona in voting for a ceasefire by voting “Yes” on the resolution introduced by Councilmember Rivas, this Monday

Thank you,

Sabra Gandhi
