Councilmember Rivas,

I am writing to formally resign from my position on Pasadena Media's Board of Directors. Representing District 5 as Pasadena Media navigates its future and manages its impressive portfolio of programs and initiatives has been a great honor. However, due to a recent change in my employment, I no longer have the capacity to dedicate the time and presence this important role demands.

While I am proud of what Pasadena Media has achieved over the past year and a half, and would have liked to continue serving, I recognize that the organization deserves a District 5 representative who can offer the level of attentiveness that my current schedule does not permit.

Thank you for your trust and support. I look forward to witnessing the continued success of Pasadena Media as it continues to serve our community with excellence.

Best,

Michael Ocon
