

LA County and City of Pasadena Recovery Collaboration

Distribution Sites

- Directly following the fires, LA County and City of Pasadena collaborated on various efforts to help our residents with needed resources:
 - Maintaining the shelter open
 - Opening of the Family Assistance Center and Disaster Recovery Center
 - Water Distributions site
 - PPE Distribution sites
 - Sandbag Distribution sites

Recovery Taskforces

- This collaboration has continued as the City of Pasadena participates in the various County-led taskforces that have cover subjects from Debris Removal to restoring our Cultural and Recreational Spaces.
- Through these meeting spaces, the City of Pasadena has able to be in partnership in all areas of recovery with the various affected jurisdictions in the operational area.

Recovery Taskforces

- Debris Removal Taskforce
- Recovery Joint Information System
- Recovery Health & Social Services
- Cultural & Natural Resources Taskforce
- Assessing and Mitigating Environmental Health Taskforce
- Watershed Taskforce
- Housing Taskforce
- LA County Price Gouging Joint Taskforce
- Long-term Recovery Taskforce
- DR4856 Individual Assistance Weekly Meeting

Recovery Taskforces

- These taskforces have led to ongoing recovery resources and protective measures for our residents in the impacted areas.
- Some of the most notable:
 - > Data-driven mud and debris flow maps from LA County Department of Public Works that have informed our prepositioning and communications in the areas of risks.
 - > The Joint Information Recovery Taskforce has allowed for partnerships that ensure that all of LA County residents are receiving consistent messaging on recovery topics.
 - > The Disaster Recovery Center has allowed for our residents to access information and resources in-person.

Recovery Taskforces

- The taskforces have allowed for the City of Pasadena cover all areas of recovery with the adequate information and invaluable connections to ensure that our path to recovery continues forward.
