3. Are you aware that financial disclosure is required annually? (e.g. sources of income, loans and gifts, investments, interests in real property.) yes ☐
4. Rules of law and ethics prohibit members from participating in and voting on matters in which they may have a direct or indirect financial interest. Are you aware of any potential conflicts of interest which may develop from your occupation or holdings in relation to your responsibilities as a member of the Community Police Oversight Commission? (If yes, please indicate any potential conflicts): ☐ no
5. Have there been or are there now, any personal or business circumstances which might reflect adversely on the propriety of your serving as a member of the Community Police Advisory Commission? ☐ no
6. Are you aware of the time commitment necessary to fulfill the obligations of the Community Police Oversight Commission? yes ☐
7. Are you applying to serve in one of the community-based organization seats? yes ☐

(If Yes, indicate name of organization you represent, your job title, and length of service): PJTC Member Years

IMPORTANT: For individuals responding “YES” to question No. 7 to serve in one of the community-based organization seats, please also complete the supplemental questionnaire.

8. Are you presently or have you ever worked as a member of law enforcement?

no

(If yes, please indicate job title and years of service): _____

9. Are you a practicing attorney that handles, or are you a member of any firm or entity that currently handles criminal or civil matters involving the Pasadena Police Department?

no

10. Describe your relevant life experience, professional training, and/or education in the following areas: Police Activity/Law Enforcement/Criminal Justice System; Social Justice; Mental Health; and Anti-Bias Curriculum/Studies and/or Working with Diverse Populations:

Broad life experience growing up amongst extraordinarily diverse - widely dispersed military, foster care, intelligence, and security communities -relocating every 6 months to 2 years -married family quarters, civilian apartments, boarding schools.

All that said - I lived primarily along the east and west coasts observing from the side lines - or participating in the middle and caring for injured - of nearly every major movement and upheaval including race, color, labor, sex, gender, orientation, identity, immigration, pandemic, and free speech movement & major political campaign from the early 1960s into 2010s.

I subsequently pursued CGU MS & USC MS/PhD & Postdoctoral Studies at University College London & UCLA Medicine.

I studied PPD Policy Manual & completed CPOC Training Videos 7/6 to 8/17/2021 & FPCC AB1234 Brown Act Training.

I have expertise in Management, Industrial & Organizational Psychology, Work Performance, and Motivation & Behavior, Human Relations, Internal Audit, Labor Relations, Personnel & Facility Reliability & Security Background Investigations, Civil Rights, Constitutional, Criminal, Family, Property & Tort Law - State & Federal Civil & Criminal Court Procedures.

Additional expertise in Personnel & Technical Surveillance, Intelligence, Interrogation & Interview Methods & Safeguards, Inter-Agency HF/VHF/UHF/Microwave/Satellite Audio/Data/MDT Communication Intercept & Traffic- & Crypto-analysis, Digital Security & Forensic Recovery Methods, Forensic Sciences, Conventional & Improvised CBRNE Agents & Devices

I provided peer counseling, mentoring, teaching, representation, mediation, social and restorative services for exceptionally broad range of parents, children, educators, supervisors, employees, leadership, admin, security, and healthcare personnel. I also provided investigative support, legislative & policy analysis & budget negotiation for local & statewide organizations.

11. How would you add value to the Community Police Oversight Commission?

I offer decades of experience rapidly establishing rapport between clients, groups, and organizations from diverse, often deeply divided, competing, and antagonistic communities - facilitating, negotiating, and mediating claims and disputes - identifying best practices - and promoting multi-party consensus on fair and equitable policies, procedures & practices.

Due to broad experience living in many underserved communities - I focus on everyone's health, welfare, and security - often identifying new grants and resources for demonstration and continuing projects - benefiting multiple communities. I'm semi-retired - financially secure (retirement savings & patent royalties) - investing my time in community services.

12. What do you see as the objectives and goals of the Community Police Oversight Commission?

I feel CPOC should work to better fulfill their scope of mission in consultation with City Council, Community, IPA & PPD.

Pasadena Municipal Code § 2.60.110 et seq Defines the **Community Police Oversight Commission** Purpose and Functions.

A. The purpose of the commission is to enhance, develop, and strengthen community-police relations and review and make recommendations regarding ongoing operations of police department to chief of police, city manager, and city council.

13. How would you help achieve these objectives and goals?

I would work carefully with CPOC Members in regularly scheduled public meetings - and maintain contact logs and correspondence records - complying with requirements of state open meetings and government in the sunshine laws.

I would continue work with LACOE, COTN, DA's Office, DCFS, DMH, TCW & others within legal & ethics limits. I will also continue outreach to PPD leadership, staff, officers, homeless, elderly, and other underserved communities. Finally, I would identify new grants & resources health, safety & welfare of PPD personnel & our many communities.

[REDACTED]

June 5, 2025

To Whom It May Concern,

On behalf of Jazzy Jam for Empowerment, I am proud to nominate Latoya Patillo for a seat on the Police Oversight Committee. Ms. Patillo is a valued community partner who brings decades of experience, grassroots connection, and a deep commitment to the well-being of youth and families in Northwest Pasadena.

Latoya has lived and served in the community for over 30 years, offering her time and leadership through various impactful initiatives. As the Director of the Divine Diamondettes Drill Team & Drum Squad, she has mentored and guided countless youth, fostering confidence, discipline, and a sense of belonging. She is also the longtime coordinator of Holiday in the Park, a beloved annual event where community members come together to support and uplift underserved families in the area.

Ms. Patillo is currently part of the GOVIS (Gang Outreach Violence Interruption Services) team, where she holds the position of Outreach Coordinator. In this role, she engages directly with community members to address and reduce gang-related violence, always prioritizing peace, communication, and positive alternatives for at-risk youth.

In addition, Latoya has been a strong collaborator with Jazzy Jam for Empowerment, most recently working with us on our Glam Prom Dress & Suit Giveaway. Her efforts helped ensure that students she personally served had access to formalwear and resources, allowing them to celebrate their milestone moments with confidence and dignity. Her ongoing commitment to youth empowerment is evident in all that she does.

Latoya Patillo is a trusted voice, a connector, and a dedicated advocate for positive change. We believe her perspective and passion will bring essential insight to the Police Oversight Committee, and we fully support her nomination.

Thank you for your time and consideration.

Sincerely,

Jacqueline Snell- Founder, Jazzy Jam for Empowerment

Neuroscience research background, neural mechanisms of empathy and training, police reserve officer, community relations, mental health training, neuropathology, traumatic brain injuries, undeserved communities

11. How would you add value to the Community Police Oversight Commission?

As the first Bangladeshi reserve officer with the LAPD and a Clinical Program Manager with a background in neuroscience and public health, I bring a unique intersection of lived experience, professional expertise, and cultural insight to the Community Police Oversight Commission. I understand firsthand the challenges of building trust between law enforcement and diverse communities, especially immigrant and Muslim populations.

My training in implicit bias, trauma-informed care, and data-driven analysis equips me to evaluate policing practices with both empathy and rigor. I have experience facilitating difficult conversations, ensuring transparency, and promoting accountability—all of which are crucial to meaningful civilian oversight.

As a Pasadena resident deeply invested in our city's future, I will listen actively, advocate thoughtfully, and work collaboratively to ensure our policing systems reflect the values, safety, and dignity that every member of our community deserves.

12. What do you see as the objectives and goals of the Community Police Oversight Commission?

The primary objectives and goals of the Community Police Oversight Commission are to promote transparency, accountability, and trust between the Pasadena Police Department and the community it serves.

13. How would you help achieve these objectives and goals?

I would help achieve the Commission's objectives by drawing on my combined experience in law enforcement, neuroscience, and community advocacy. As an LAPD reserve officer, I understand policing from the inside—and as a Bangladeshi American and public servant, I deeply understand the concerns of marginalized communities.

I would work to ensure the Commission's recommendations are not only thoughtful but grounded in data, lived experience, and public health-informed approaches. I'm skilled in reviewing policies, asking critical questions, and facilitating inclusive dialogue—all essential to promoting transparency and accountability.

By actively engaging with residents, especially those who may feel unheard or mistrustful of the system, I'd help the Commission better reflect our diverse community and push for policies that support safety, dignity, and fairness for all.

May 2015 – August 2018

Imaging Genetics Center, Stevens Institute for Neuroimaging & Informatics, Marina Del Rey CA

Project Specialist – Team Lead

- ◆ Acted as strategic liaison between 185+ sites, leading harmonization of multi-modal healthcare data, aligning global partners under unified regulatory, compliance, and data integrity frameworks. (Project Lead).
- ◆ Proactively coordinated with key stakeholders (neuroscientists and engineers) to harmonize world's largest-ever brain imaging studies, analyzing bio-physical data.
- ◆ Conducted multi-modal data harmonization, applying machine learning and computational modeling for enhanced analytics.
- ◆ Automated neuroimaging workflows using Python, MATLAB, and R, improving efficiency by 120%. Developed quality control protocols for imaging pipelines, ensuring high-throughput and regulatory compliance.
- ◆ Worked directly in Linux/Unix environments to optimize scripts and automate processing tasks. Applied machine learning packages such as TensorFlow for volumetric segmentation of 3D and 4D medical data.
- ◆ Contributed to development of end-to-end, scalable, and open-source informatics framework for international data harmonization and informatics. Deployed image processing code for high-throughput volumetric data analysis.
- ◆ Drafting and writing manuscripts, figures, and conference abstracts for publication and presentations.
- ◆ Provide on the job training, supervision, and mentorship to over 15 researchers and graduate students.

Loma Linda University Medical Center

September 2012 – May 2015

Department of Pediatric Research, Loma Linda CA

Research Associate II

- ◆ Conducted neuroimaging research on TBI and neurodegenerative diseases using advanced MRI modalities.
- ◆ Managed clinical data acquisition, processing, and analysis for multi-center studies.
- ◆ Collaborated with IT teams to implement secure data management solutions for research compliance
- ◆ Worked closely with Information Systems for safe and secure laboratory MRI data management.
- ◆ Closely monitored and managed budget, costs, and expenditures for MRI usage & laboratory facilities.
- ◆ Create safety and new operations protocols, deploy and manage new software, troubleshoot technical systems.
- ◆ Provide on the job training, supervision, and mentorship to volunteer researchers, ranging from high school to post graduate students.

ADDITIONAL APPOINTMENTS

Los Angeles Police Department

October 2018 – Present

Innovation Management Division (IMD), Los Angeles CA

Reserve Peace Officer

- ◆ Sworn Peace Officer appointed December 2018 by the city of Los Angeles
- ◆ Data & Informatics Specialist
- ◆ Assigned to Department COVID-19 & SAFE-LA Task Force: resource allocation, budgeting, deployment analysis

LABORATORY & BIOTECHNOLOGY SKILLS

Project Management, Data Analysis, Big Data Processing, Data Harmonization, Machine Learning, Brain-Computer Interfacing (BCI), Virtual/Augmented/Mixed Reality, Electronic Data Capture (EDC), Good Clinical Practices (GCP), Marketing, Graphic Design, Data Management, Healthcare Strategy Consulting, Cross-functional Project Leadership, Revenue Cycle Support, Data Analytics & Dashboard Development, Change Management & Stakeholder Engagement, Budget Management & Vendor Negotiation, Process Redesign & Business Transformation

TECHNOLOGY

Project Management Tools: Asana, Trello, Gantt Charts, Jira, Confluence, Monday.com, Microsoft Project
Programming Languages: Bash (Shell), SQL, and HTML, Python, Java, and R languages, Matlab analysis experience. Sun Grid Engine (SGE) high performance, high-throughput computing
Microsoft Office 365. Google Applications: Drive Applications, Calendar, Sites, Group, Forms, and more.
Adobe Creative Suite: After Effects, Photoshop, Illustrator, PremierePro, SoundBooth, Acrobat Pro software.
Data Analysis and Statistical Software: Excel (Advanced), Tableau, PowerBI, R, Python, and OpenAI

AWARDS & ACCOMPLISHMENTS

Forbes 30 Under 30 Scholar (2018, 2019). LAPD Reserve Peace Officer Scholarship (2019). Judge at the California State Science Fair, Cognitive Science (2016 – Active), Virtual, Augmented, & Mixed Reality Fellowship: Balgarist University Hospital in Zurich, Switzerland (2017). Visiting Scholar at the University of Calgary, Alberta, Canada (2015), Loma Linda University Medical School Summer Undergraduate Research Fellowship (2012), Founder of PrintXMed.com (2012). Loma Linda University Hospital Extensive Volunteer Recognition (2012), President of United Against Infectious Diseases, University of California, Riverside (2011), U.S. Presidential award for outstanding community service (2009).

11. How would you add value to the Community Police Oversight Commission?

As a retired L.A. City firefighter and active advocate for seniors, I bring decades of public safety experience along with a deep commitment to community wellbeing. My work focuses on issues like emergency room wait times and age-friendly housing—efforts that require collaboration, empathy, and a strong voice for underserved populations. I understand how policing intersects with vulnerable communities and would bring that perspective to ensure oversight is fair, transparent, and community-centered. My goal is always to build trust, improve safety, and make sure every voice is heard.

12. What do you see as the objectives and goals of the Community Police Oversight Commission?

I believe the Community Police Oversight Commission exists to strengthen trust between the community and the Pasadena Police Department. Its main goals are transparency, accountability, and fairness in policing. The Commission listens to the concerns of residents—especially those from underserved groups like seniors—and uses that feedback to review policies, incidents, and recommend improvements. It's not about being anti-police or overly critical—it's about making sure public safety works for everyone, respects community values, and upholds people's dignity and

13. How would you help achieve these objectives and goals?

Because I've spent my career in public safety, I understand the challenges first responders face—but I've also dedicated my time to advocating for seniors and underserved communities. I know how to listen, build trust, and speak up when it matters. That balance is what I'd bring to the Commission.
