TO: Honorable Mayor and City Council

FROM: Department of Finance

SUBJECT: OPENING OF THE PUBLIC HEARING FOR THE FISCAL YEAR 2026 CITY MANAGER'S RECOMMENDED OPERATING BUDGET

RECOMMENDATION:

It is recommended that the City Council:

1. Find that the action proposed herein is not a "project" subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 21065 and within the meaning of Sections 15060(c) and 15378(b);
2. Open the public hearing for the Fiscal Year (FY) 2026 Recommended Operating Budget; and
3. Continue this public hearing to each subsequent regular meeting of the City Council at 6:00 p.m. until June 9, 2025, or such other date as the City Council may determine, at which time the City Council will be asked to close the public hearing and adopt the FY 2026 Recommended Operating Budget.

BACKGROUND:

The City of Pasadena Charter, Section 902, requires that on or before the third Monday in May, the City Manager shall submit to the City Council an annual operating budget for the succeeding fiscal year. As part of the process, the City Council shall open the public hearing on the proposed operating budget and continue the public hearing until a formal recommendation to adopt the FY 2026 Recommended Operating Budget is presented to the City Council.

The Recommended Budget represents the City's financial plan for FY 2026 and furthers the City's mission to deliver exemplary municipal services responsive to our entire community and consistent with the City's history, culture, and unique character. In addition to the City's anticipated operating revenues and expenses, the Recommended Budget includes the appropriations for the FY 2026–2030 Capital Improvement Program (CIP) and the City's affiliated agencies (Rose Bowl Operating Company, Pasadena Center Operating Company, and Pasadena Community Access Corporation).

The table below presents the FY 2026 Recommended Budget alongside two preceding fiscal years.

Attachment A provides a citywide summary of recommended appropriations and Full-Time Equivalent (FTE) positions for FY 2026 by department/affiliated agency. Throughout May, departments and affiliated agencies will present their recommended operating budget to their respective City Council Committee. These budget workshops will begin on May 6th and conclude on May 27th, meanwhile the citywide operating budget is currently scheduled for adoption on June 9, 2025. The complete budget presentation schedule is outlined in Attachment B.

Copies of the FY 2026 Recommended Operating Budget are available for public review at the City Clerk's Office and the San Rafael Branch and Hasting Branch libraries. The documents are also available on the City's website.

COUNCIL POLICY CONSIDERATION:

The City Council's strategic planning goal of maintaining fiscal responsibility and stability will be advanced through the adoption of the FY 2026 Recommended Operating Budget.

ENVIRONMENTAL ANALYSIS:

CEQA excludes, from environmental review, actions that are not "projects" as defined by CEQA Guidelines Section 21065 and within the meaning of Sections 15060(c) and 15378(b). Section 15378 excludes from the definition of "project" the creation of government funding mechanisms and fiscal activities, which do not yet commit the lead agency to any specific project, and also excludes organizational or administrative governmental activities that do not

result in physical changes to the environment. The action proposed herein, consideration of the FY 2026 Operating Budget, is budgetary and part of the City's normal administrative process as it takes early steps to prepare for the possibility of undertaking a project, and therefore is not yet a "project" as defined by CEQA. Since the action is not a project subject to CEQA, no environmental document is required.

FISCAL IMPACT:

The FY 2026 Recommended Budget proposes total operating appropriations of \$361,457,253 in the General Fund and \$1,499,417,075 in all Funds (includes affiliated agencies and CIP). The FTE positions funded by the General Fund are 1,082.41 FTEs and those funded by all Funds are 2,408.76 FTEs (includes affiliated agencies).

Respectfully submitted,

MATTHEW E. HAWKESWORTH
Director of Finance
