PUBLIC COMMENT ON
MATTERS NOT ON THE
AGENDA

Connie De La Torre, Pasadena resident, and Rene Gonzalez, Pasadena resident, urged the City Council to accept the invitation to the 2026 Sister Cities Cultural Exchange in Guanajuato, Mexico.

Colin Campbell, South Pasadena resident, suggested that the City upgrade existing infrastructure at the Glenarm Power Plant site by implementing a fusion reactor.

Elizabeth McDuffie, Pasadena resident, urged the City Council to reconsider a settlement agreement related to zoning violations.

Jesus Rojas, Apartment Association of Greater Los Angeles, expressed concerns regarding the fees created by the Pasadena Rental Housing Board that reach beyond the provisions contained in the City Charter.

Kelly Brinkman, Pasadena resident, urged the City Council to continue advocating for AB239 through the remaining legislative process.

Lizz Wolf, Pasadena resident, expressed concerns regarding the unauthorized use of Pasadena public services relating to water and power at vacant Caltrans properties, particularly at 640 S St. John Ave.

Humaira, Pasadena resident, spoke on the upcoming Flock rally and invited the City Council and public to attend to voice their concerns.

Valarie Toliver, Pasadena resident, thanked Councilmembers Hampton and Jones for assisting her organization so it may host the back-to-school community event in front of City Hall.

Yadi, Pasadena resident, advocated for the City to receive a presentation on Crime Prevention Through Environmental Design (CPTED) as a proactive approach to reduce crime and improve quality of life.

Joe Pangrazio, Pasadena resident, advocated for the City to preserve the longtime partnership with Rose Bowl Riders.

Olden Denham, Pasadena resident, provided comments on the officer-involved shooting of Anthony McClain, and the need for accountability.

(4) Authorize the City Manager to approve no-cost amendments to the subject contract including durational extensions.

Chad Augustin, Fire Chief, provided an overview of the program and other details contained in the agenda report, noting the importance of the live-saving impacts this will have for the Pasadena community in having the Pasadena Fire Department carry prehospital life-saving blood.

MOTION:

Following brief discussion, it was moved by Councilmember Jones, seconded by Councilmember Masuda, to approve the staff recommendation for Item 1. (Motion unanimously approved) (Absent: Councilmembers Hampton and Madison)

PUBLIC HEARING

Councilmember Lyon stated a conflict of interest, recused himself from the item, and left the meeting at 6:35 p.m.

DESIGNATION OF THE ARBOLEDA DRIVE LANDMARK DISTRICT AND A ZONING MAP AMENDMENT TO ESTABLISH THE ARBOLEDA DRIVE (LD-29) LANDMARK OVERLAY ZONING DISTRICT

Recommendation: It is recommended that the City Council:

(1) Find that the designation of a historic resource and zoning map amendment to establish a landmark overlay zoning district are categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act, Section 15308: Class 8, Actions by Regulatory Agencies for Protection of the Environment, and there are no features that distinguish the project from others in the exempt classes, and therefore, there are no unusual circumstances, and no other exception to the exemption applies;

(2) Adopt the findings in Attachment A of the agenda report to find that the proposed Arboleda Drive Landmark District meets the criteria for designation as a Landmark District and to approve the proposed Zoning Map Amendment; and

(3) Adopt an ordinance to amend the official Zoning Map to establish the Arboleda Drive (LD-29) Landmark Overlay Zoning District.

Recommendation of the Historic Preservation Commission: On March 3, 2026, the Historic Preservation Commission (HPC) determined that the proposed Arboleda Drive Landmark District meets the criteria for designation and recommended, by a vote of 8-0, that the City Council adopt the environmental determination and landmark district designation.

Recommendation of the Planning Commission: On June 10, 2026, the Planning Commission (PC) recommended, by a vote of 5-0, that the City Council adopt the environmental determination and

approve the Zoning Map Amendment to establish the Arboleda Drive Landmark District (LD-29) Overlay Zoning District.
(Discussed and considered concurrently with Item No. 13, including for public comment purposes.)

City Clerk Jomsky reported that on August 3, 2026, 12 postcards were mailed and 38 notices were posted, and that one letter in support of the proposed landmark designation was received by the City Clerk's Office, distributed to the City Council, posted online, and made part of the public record for this item.

MOTION:

It was moved by Vice Mayor Rivas, seconded by Councilmember Jones, to close the public hearing. (Motion unanimously approved) (Absent: Councilmembers Hampton, Lyon, and Madison)

Rathar Duong, Senior Planner, made a brief PowerPoint presentation on the item, providing information on the landmark district and the twelve designated properties.

In response to Councilmember Cole's inquiry regarding how much of the City could ultimately be designated under landmark district status, Jason Mikaelian, Acting Planning Director, reported that historic district designation are neighborhood driven efforts for individual landmarks or districts designations. He reported that the process includes residents collecting signatures, meeting strict criteria, and working with City staff. Kevin Johnson, Senior Planner, added that the City is conducting a citywide history resources survey to identify the number of potential future landmark districts and that City staff will review all identified districts to ensure that they meet the current criteria for historical designation.

Mayor Gordo noted that historic districts contribute to how Pasadena is experienced today and in the future.

MOTION:

It was moved by Vice Mayor Rivas, seconded by Councilmember Masuda, to approve the staff recommendation. (Motion unanimously approved) (Absent: Councilmembers Hampton, Lyon, and Madison)

DESIGNATION OF THE MESITA ROAD LANDMARK DISTRICT AND A ZONING MAP AMENDMENT TO ESTABLISH THE MESITA ROAD (LD-30) LANDMARK OVERLAY ZONING DISTRICT

Recommendation: It is recommended that the City Council:

- (1) Find that the designation of a historic resource and a zoning map amendment to establish a landmark overlay zoning district are categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act, Section 15308: Class 8, Actions by Regulatory Agencies for Protection of the Environment, and there are no features that distinguish the project from others in the exempt classes, and therefore, there are no unusual circumstances, and no other exception to the exemption applies;
- (2) Adopt the findings in Attachment A of the agenda report to find that the proposed Mesita Road Landmark District meets the criteria for designation as a Landmark District and to approve the proposed Zoning Map Amendment; and
- (3) Adopt an ordinance to amend the official Zoning Map to establish the Mesita Road (LD-30) Landmark Overlay Zoning District.

Recommendation of the Historic Preservation Commission: On March 3, 2026, the Historic Preservation Commission (HPC) determined that the proposed Mesita Road Landmark District meets the criteria for designation and recommended, by a vote of 8-0, that the City Council adopt the environmental determination and landmark district designation.

Recommendation of the Planning Commission: On June 10, 2026, the Planning Commission (PC) recommended, by a vote of 5-0, that the City Council adopt the environmental determination and approve the Zoning Map Amendment to establish the Mesita Road Landmark District (LD-30) Overlay Zoning District.

(Discussed and considered concurrently with Item No.14, including for public comment purposes.)

City Clerk Jomsky reported that on August 3, 2026, 7 postcards were mailed and 16 notices were posted, and that one letter in support of the proposed landmark designation was received by the City Clerk's Office, distributed to the City Council, posted online, and made part of the public record for this item.

Senior Planner Duong made a brief PowerPoint presentation on the item, providing information on the landmark district and the seven designated properties.

Humaira, Pasadena resident, expressed her concerns regarding the oversaturation of landmark districts and the resulting effect this may have on pre-empting density, and advocated for the City to keep neighborhoods affordable.

Councilmember Cole advocated for a more definitive criteria and a comprehensive approach to landmark designations.

Mayor Gordo noted that landmark designations also come with large responsibilities for homeowners to preserve their historic investments.

In response to Councilmember Masuda's inquiry regarding construction activity in landmark districts, Acting Planning Director Mikaelian reported that landmark designation does not prevent property construction, stating that property owners generally retain the ability to construct ADUs or add improvements to their homes.

MOTION: It was moved by Councilmember Masuda, seconded by Councilmember Lyon, to close the public hearing. (Motion unanimously approved) (Absent: Councilmembers Hampton and Madison)

MOTION: It was moved by Councilmember Masuda, seconded by Councilmember Lyon, to approve the staff recommendation. (Motion unanimously approved) (Absent: Councilmembers Hampton and Madison)

REPORTS AND COMMENTS FROM COUNCIL COMMITTEES

Economic Development and Technology Committee

EXPANSION OF THE EATON FIRE REBUILD PERMIT FEE WAIVER PROGRAM TO INCLUDE PERMIT FEES FOR REPAIRS TO ELIGIBLE STANDING HOMES RELATED TO SMOKE, SOOT, ASH OR WATER DAMAGE (Planning Dept.)

Recommendation: It is recommended that the City Council:

(1) Find that the recommended fee reductions are exempt from the California Environmental Quality Act (“CEQA”) pursuant to State CEQA Guidelines under the “Common Sense” exemption per Section 15061(b)(3). This exemption applies because the action involves only the waiver of City plan check and permit fees for eligible fire-related repairs and does not authorize any physical construction activity beyond what previously existed;

(2) Adopt a resolution amending the Fiscal Year (FY) 2027 General Fee Schedule to reduce or waive various Plan Check and Permit

Fees for repairing eligible standing homes damaged in the Eaton Fire (Resolution No. 10207);

(3) Direct the City Attorney to prepare within 30 days an ordinance to amend Title 4 of the Pasadena Municipal Code (PMC) to exempt qualified repairs of eligible residential structures damaged by the Eaton Fire from the City's fees for Construction Tax; and

(4) Direct staff to include the fees in the same recovery efforts being done for the existing program.

Recommendation of the Economic Development & Technology

Commission: On June 16, 2026, the Economic Development & Technology Committee (EDTech) recommended the City Council approve the proposed expansion of the fee reductions for standing homes with documented damage from the Eaton Fire as follows:

1. Waive plan check and building permit fees collected into the Building Fund (204) and the General Fund (101) with a total estimated cost of \$100,000.

The reductions outlined above would apply to projects that meet all of the following (eligible sites):

1. Located Within a Mandatory Evacuation Order or Evacuation Warning: Area Eligibility would extend to standing homes within officially designated evacuation zones.
2. Owner-Occupied at the Time of the Eaton Fire: The property must have been owner-occupied as of January 7, 2025, consistent with the existing program. For multi-family sites, only owner-occupied units are eligible for fee waivers.
3. Documented Fire-Related Smoke or Ash Damage: Applicants must submit a professional report verifying fire-related smoke or ash damage. Examples of acceptable documentation include:
 - Licensed contractor assessments;
 - Industrial hygienist or environmental testing reports;
 - HVAC contamination assessments;
 - Insurance adjuster findings; and
 - In some cases, dated photos showing condition of the area to be repaired 'before' and 'after' the fire may also be accepted.
4. Repairs Limited to Restoring Pre-Fire Conditions: Fee waivers apply only to repairs necessary to restore the home to its pre-fire condition. Elective remodels or expansions are not eligible.

Staff is supportive of the expanded program and proposed eligibility criteria for standing homes. Standing home repairs are generally smaller in scope than full rebuilds, requiring nominal permit fees or in some instances, such as soot removal, no city permits for the remediation. Based on the permits analyzed for Table 1 in the agenda report, staff anticipates average waived fees of \$150 to \$2,000 per property, depending on repair type and valuation. An itemized list of the fire repair permits is included as Attachment C (of the agenda report), which totals just over \$51,000. Staff is proposing

a total program budget of \$100,000 for fee waivers for standing homes to be funded by the Building Fund. There is no cost to the General Fund for the proposed expanded fee waivers.

Aurore Wright, Pasadena resident, advocated for the City Council to approve this expansion of the Eaton Fire permit fee waiver program, and noted the financial hardships that those who lost their homes are currently facing.

City Clerk Jomsky reported that one letter in opposition to the staff recommendation and four letters advocating for the permit fee waivers to include homes that are still standing but damaged due to the Eaton Fire were received by the City Clerk's Office, distributed to the City Council, posted online, and made part of the public record for this item.

Councilmember Jones expressed condolences to the public commentor and the affected residents impacted by the Eaton Fire, and thanked the Economic Development and Technology Committee for working diligently on this matter.

MOTION:

It was moved by Councilmember Jones, seconded by Councilmember Lyon, to approve the staff recommendation. (Motion unanimously approved) (Absent: Councilmembers Hampton and Madison)

**RECOMMENDATIONS
FROM OFFICERS AND
DEPARTMENTS**

City Manager

CONSIDERATION OF SPECIAL MEETINGS OF THE CITY COUNCIL ON TUESDAY, SEPTEMBER 15, 2026 AND TUESDAY, SEPTEMBER 29, 2026, IN PLACE OF REGULAR MEETINGS ON MONDAY, SEPTEMBER 14, 2026, AND MONDAY, SEPTEMBER 28, 2026

Recommendation: It is recommended that the City Council:

- (1) Find that the action proposed in the agenda report is covered by the "Common Sense" exemption set forth in State CEQA Guidelines Section 15061(b)(c) as CEQA only applies to projects that may have a significant effect on the environment;
- (2) Discuss and consider holding special meetings of the City Council on Tuesday, September 15, 2026, and Tuesday, September 29, 2026, in place of regular meetings on Monday, September 14, 2026, and Monday, September 28, 2026; and
- (3) If supported by the City Council, direct City staff to proceed with the recommended special meeting schedule, incorporating outreach and notification to members of the public.

City Clerk Jomsky reported that 12 letters, including one letter with a list of 95 names, advocating for the City Council to start meetings on time and/or providing concerns relating to City Council Standing Committee meeting cancellations that have occurred recently, were received by the City Clerk's Office, distributed to the City Council, posted online, and made part of the public record for this item.

The following individuals expressed concerns regarding the delayed start times of City Council meetings and requested explanations for recent Council Committee meeting cancellations, and/or provided other related comments:

Daniel James, Pasadena resident
Humaira, Pasadena resident

Councilmember Lyon advocated for the City Council to discuss meeting start/end times and frequency of meetings at a future City Council meeting. He expressed support for moving the City Council meetings to Tuesdays on a trial basis to determine if such a change will result in improvements in meeting efficiency. He noted his preference for having City Council meetings on Thursdays.

Vice Mayor Rivas also acknowledged the issues of the delayed City Council meeting start times and the difficulties of maintaining a quorum for committee meetings. She expressed support for conducting City Council meetings on Tuesdays on a trial basis, provided that the City Council commits to holding meetings on Tuesdays following a national holiday.

Councilmember Cole expressed support for City Council meetings occurring on Tuesdays, noting that the change would provide Mondays as a regular workday for City staff to respond to City Council questions, and also provide an additional day of preparation for City Councilmembers and for members of the public to review agenda materials prior to the meeting. He proposed that City staff prepare an ordinance to make the change to Tuesdays for City Council consideration at the next meeting when the full City Council is present.

Interim City Manager Hawkesworth stated that the proposed trial period for having City Council meetings on Tuesdays allows the public, City Council, and City staff an opportunity to adjust and to determine if any unintended consequences occur before making the permanent change.

In response to Councilmember Jones and Lyon's preferences for meeting to occur on Thursdays, City Clerk Jomsky reported on the current City Council agenda preparation process, and also stated that just the Community Police Oversight Commission and Pasadena Rental Housing Board now use the Council Chamber for meetings, so the move to Tuesdays would not affect their meetings. He also reported City staff will coordinate to find alternative meeting days and times for City Council standing committee meetings, with input from the Chairs of each Committee.

Discussion ensued regarding Committees that have experienced significant cancellation rates and the composition of the City Council which includes full-time working members.

Councilmember Masuda expressed his flexibility in having City Council meetings take place on Tuesdays and noted the need to hear input from the two absent Councilmembers before making any permanent changes.

Mayor Gordo expressed support for City Council meetings occurring on Tuesdays, while also voicing his support for the consideration of Thursday meetings. He acknowledged ongoing concerns about Council Committee quorum and attendance issues, noting that these issues affect Councilmembers regardless of work situations. With regard to late starts of the City Council meetings, he explained that closed sessions often involve complex legal matters and can sometimes run longer than anticipated.

MOTION:

It was moved by Councilmember Jones, seconded by Councilmember Cole, to approve the staff recommendation, with direction to City staff to prepare an ordinance to set the date and time for future City Council meetings to occur on Tuesdays at 5:00 p.m. (Motion unanimously approved) (Absent: Councilmembers Hampton and Madison)

ORDINANCES – FIRST READING

Councilmember Rivas stated a conflict of interest, recused herself from the item, and left the meeting at 7:46 p.m.

First reading of “AN ORDINANCE OF THE CITY OF PASADENA AMENDING VARIOUS SECTIONS OF TITLE 17 (ZONING CODE) OF THE CITY OF PASADENA MUNICIPAL CODE TO IMPLEMENT THE 2025 NORTH LAKE SPECIFIC PLAN IN CHAPTER 17.34 (NORTH LAKE SPECIFIC PLAN) AND AMEND THE OFFICIAL ZONING MAP TO MODIFY THE BOUNDARIES OF THE NORTH LAKE SPECIFIC PLAN, REDESIGNATE ZONES WITHIN THE NORTH LAKE SPECIFIC PLAN AREA AND AT 60 S. VIRGINIA AVENUE, 701 AND 709 N. MENTOR AVENUE, AND 1311 AND 1321 N. MENTOR AVENUE IN CHAPTER 17.20 (ZONING DISTRICTS, ALLOWABLE LAND USES, AND ZONE-SPECIFIC STANDARDS), SECTION 17.20.020 (ZONING MAP AND ZONING DISTRICTS), AND AMENDING ZONING CODE SECTIONS 17.30.030 (2023 CENTRAL DISTRICT SPECIFIC PLAN - ALLOWABLE LAND USES) AND 17.30.080 (2023 CENTRAL DISTRICT SPECIFIC PLAN - OPEN SPACE) FOR CONSISTENCY”

The City Clerk noted a change to the title of the ordinance is necessary to add a “0”, with the correction to read, “SECTION 17.20.020”. Acting Planning Director Mikaelian also reported clerical corrections to “Section 17.34.030 – Allowable Land Uses” in Exhibit 1, which shall begin with capital “A” and continue through capital “G”, replacing the capital “G” through capital “M”, and that the first line of this section shall also add the words “Section 17.80.020” to read as

follows: "A. Definitions. Definitions of specific land uses are found in Section 17.80.020."
