

DELETED FEES

FISCAL YEAR 2027 GENERAL FEE SCHEDULE

FY 2026 Fee #	Description	FY 2026 REVISED FEE	Notes
Planning and Community Development			
212	Photovoltaic System over 10.1 - 50 Kilo Volt Amperes (KVA) [AB 1124]	\$343.00	The Department recommends eliminating the fee "Photovoltaic System over 10.1 - 50 Kilo Volt Amperes (KVA) [AB 1124]." In compliance with State AB1132, a total fee electric permit for both residential and commercial properties is recommended in this fee schedule.
274	Dual Package (Heating and Cooling) Units -over 51 HP	\$98.00	The Department recommends eliminating the fee "Dual Package (Heating and Cooling) Units -over 51 HP" as the range has been combined into an existing fee.
Police			
589	INS Prisoner Fees	\$101.00	The Department does not book INS prisoners and there is no revenue received for this fee. The Department request that this fee be deleted.
592	Other Photo Lab Services	At Cost	The Department no longer has a photo lab and does not provide this service. There has been no revenue received for this fee.
594	Police Computer Print-out Service	\$48.00	The Department no longer offers print out services. There has been no revenue received for this fee.
Transportation			
913	Old Pasadena Parking Garages Monthly Parking	\$85.00	The Department recommends eliminating this fee that is currently applied to monthly parking across all three Old Pasadena garages. The Parking Division proposes separating the monthly parking fees so that each garage is assigned its own individual rate. This change will allow pricing to be adjusted independently for each facility based on demand, operational needs, and future budgeting considerations. Revenue is not affected because the proposed change is administrative only and does not modify the current fee amount or structure.
914	Old Pasadena Garages Transient Parking per hour charge (First 2 Hours \$1 and \$2hr after, \$12/daily max)	\$1/\$2/\$12	The Department recommends eliminating this fee that is applied uniformly to transient parking in the three Old Pasadena garages—DeLacey, Schoolhouse, and Marriott. The Parking Division proposes separating these garages into individual transient parking fees to allow each facility's pricing to be adjusted independently based on demand, operational costs, and future policy needs. This change improves transparency and ensures that rates can be tailored to the unique conditions of each garage. Revenue is not affected because the proposed change is administrative only and does not modify the current fee amount or structure.
959	Meter Head Install/Remove (first head)	\$263.00	The Department recommends eliminating these fees. Since they will no longer have single-space meters and will instead only use multi-space pay stations, the single-space meter fees and pole removal fees are no longer applicable.
960	Meter Head Install/Remove (each add'l head)	\$10.00	
961	Meter Pole Removal (City cost in addition to contractor pass through)	\$138.00	
962	Meter Pole Removal - Replace/Repair Sidewalk to Original Condition	At Cost	
963	Meter Pole Installation (City cost in addition to Contractor	\$355.00
