Hello Rick! (et al)

I am writing to tender my resignation on the Pasadena Parks and Rec commission, effective March 2. It has been an honor and pleasure to serve these last 4-5 years! I simply do not have the time to give to this endeavor in a meaningful regular way. If however as a resident, there are ever things I can do to assist, consult or support, please do not hesitate to reach out!

I am pleased and proud of the effort and activity we have launched regarding the city's LA28 Olympic efforts with the mayoral task force and I am happy to stay involved with that effort in any way anyone may need to continue the momentum. I think the plan the Parks and Rec commission has is a good one and now just needs to be executed.

Rick, thank you for your leadership and service, do not hesitate to call if I can assist from time to time.

Sincerely,

Betsy Mitchell
