Hello Mayor Gordo (and Ms. De La Cuba)--

Hope this finds you well! It's with a heavy heart that I have made the decision to step down from the EAC. My family welcomed a daughter in December, and with my return to work a few weeks ago I realized that there simply aren't enough hours in the day for me to continue my work on the EAC at this time. I hope to serve again in the future! And will continue my environmental advocacy as a community member.

Thank you for appointing me, and for your support throughout my time on the EAC. I look forward to connecting with you at community events in the future! See you around the neighborhood :)

All the best,
Heather Robb
