**CITY OF PASADENA**  
**Supplement to Statement of Economic**  
**Interest (FPPC Form 700)**  
**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

**Extended Family:** any spouse, whether by marriage or not, domestic partner, parent, child, sibling, grandparent, aunt or uncle, niece or nephew, grandchild, or cousin (Section 1803(g)).

**Material Interest in Rental Property:** an individual has a Material Interest in Rental Property if they, or any member of their Extended Family, own, manage, or have a 5% or greater ownership stake in Rental Units in the county of Los Angeles, or if they or any member of their Extended Family owned, managed, or had a 5% or greater ownership stake in Rental Units in the county of Los Angeles in the past three (3) years (Section 1803(i)). Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. Interested applicants in such a position should consult with legal counsel prior to submitting an application.*

*I acknowledge I have read the foregoing Note*  *(initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

12. Describe your relative life experience, professional training, or education in the following areas: Housing/Housing Justice/Landlord Tenant Relationships/Real Estate:

**Housing** – I have been a mortgage banker for 20 + years, expertise working with first time home buyers and low-moderate income home buyers. I have lead sales teams educating and enabling them to be successful in these markets. I am a homeowner in the City of Pasadena and have been a rental property owner in the City of Los Angeles since 2000. I have my NMLS license however it is inactive at the present time.

**Housing Justice** - I have been an advocate for safe and high-quality housing for my entire mortgage banking career. I have been a board member of 2 housing non-profits, East LA Community Corporation and Los Angeles Neighborhood Housing Services. When there was a Neighborhood Housing Services office in Pasadena, I was an active partner and speaker for their home ownership workshops. I am a member of the National Association of Hispanic Real Estate Professionals (NAHREP), past Western Region co-chair and founding director for the Montebello East LA Chapter and past president.

**Landlord Tenant Relationships** – I have been a property owner since 2000; I currently own 4 units in the City of Los Angeles. I am in good standing with the City of Los Angeles Housing Authority for adhering to all rent stabilization ordinances (RSO). I also have a good, professional relationships with all of the tenants living in my rental properties. As an example, I have very low turnover. One of my tenants has been in their homes for 17 years, the other 22 years. I consider myself a very reasonable property owner. I keep up with the care of all my properties. My tenants know that they can always rely on me to make sure all repairs, requested work is done in a timely and workman like manner. I pride myself on being an exemplary small business property owner and contributing to attractive housing in the neighborhoods of my rental properties.

**Real Estate** – I am a big proponent of “respecting” all property, real estate. It is an honor and a privilege to own real estate. I am proactive on being aware of the environment surrounding all my properties by visiting my properties at least once a week, going online to view neighborhood news, and understanding the latest rental ordinances.

13. How would you add value to the Pasadena Rental Housing Board?

I would know and understand The City of Pasadena Charter, Articles 18,11 and any other Article that would be vital to the position of director. My corporate managerial training has given me skills to collaborate with colleagues, communicate effectively, listen and understand what the need is to find the best solution for all parties. My experience as a "small property" owner has given me real life challenges and real-life reasonable solutions for both parties, tenant and owner. I am committed to always finding a solution to improve quality of life matters for all citizens equally.

14. What do you view are the primary objectives and goals for the Pasadena Rental Housing Board?

Ensure that all citizens of The City of Pasadena have excellent housing. This begins with knowing and understanding the current rental laws and ordinances, Article 18. From there, work and strive to understand if there are areas where the City of Pasadena can advance for the betterment of their citizens and The City of Pasadena's long-term prosperity.

15. How would you help to achieve these objectives and goals?

As a new board member, I would become familiar and understand the present needs of the Rental Housing Board and the needs of Pasadena's citizens. I would then work with the board to prioritize those needs. If necessary, reach out to city's leadership to validate the board's priority list. Simultaneously, become acquainted with each board member and strive to have a professional relationship with each member.

## Types of Statements

---

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

## Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
  - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

### Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

## Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 14, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

### Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

<b>1. Office, Agency, or Court</b>	
Agency Name (Do not use acronyms) Feather River Irrigation District	
Division, Board, Department, District, if applicable N/A	Your Position Board Member
* If filing for multiple positions, list below or as an attachment. (Do not use acronyms)	
Agency N/A	Position
<b>2. Jurisdiction of Office (Check at least one box)</b>	
<input type="checkbox"/> State	<input type="checkbox"/> Judge or Court Commissioner (Statewide Jurisdiction)
<input checked="" type="checkbox"/> Multi-County Yuba & Sutter Counties	<input type="checkbox"/> County of _____
<input type="checkbox"/> City of _____	<input type="checkbox"/> Other _____

## Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2025 annual statement, **do not** change the pre-printed dates to reflect 2026. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2026, through December 31, 2026, will be disclosed on your statement filed in 2027. See Reference Pamphlet, page 4.

**Combining Statements:** Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

## Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; or if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please **do not** attach any blank schedules.

## Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original "wet" signature unless filed with a secure electronic signature. (See page 4 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements.

**When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

## Instructions – Schedule A-2

### Investments, Income, and Assets of Business Entities/Trusts

---

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 14.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

#### To Complete Schedule A-2:

**Part 1.** Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

**Part 2.** Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

**Part 3.** Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 12, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 9.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 15, for information on procedures to request an exemption from disclosing privileged information.)

**Part 4.** Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

**CITY OF PASADENA**  
**Supplement to Statement of Economic**  
**Interest (FPPC Form 700)**  
**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

**Extended Family:** any spouse, whether by marriage or not, domestic partner, parent, child, sibling, grandparent, aunt or uncle, niece or nephew, grandchild, or cousin (Section 1803(g)).

**Material Interest in Rental Property:** an individual has a Material Interest in Rental Property if they, or any member of their Extended Family, own, manage, or have a 5% or greater ownership stake in Rental Units in the county of Los Angeles, or if they or any member of their Extended Family owned, managed, or had a 5% or greater ownership stake in Rental Units in the county of Los Angeles in the past three (3) years (Section 1803(i)). Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. **Interested applicants in such a position should consult with legal counsel prior to submitting an application.***

*I acknowledge I have read the foregoing Note CDA (initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

**Tenant:** a tenant, subtenant, lessee, sublessee or any other person entitled under the terms of a rental housing agreement to the use or occupancy of any Rental Unit (Section 1803(aa)).

## Types of Statements

---

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

## Instructions – Schedule A-2

### Investments, Income, and Assets of Business Entities/Trusts

---

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 14.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

#### To Complete Schedule A-2:

**Part 1.** Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

**Part 2.** Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

**Part 3.** Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 12, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 9.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 15, for information on procedures to request an exemption from disclosing privileged information.)

**Part 4.** Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

**Extended Family:** any spouse, whether by marriage or not, domestic partner, parent, child, sibling, grandparent, aunt or uncle, niece or nephew, grandchild, or cousin (Section 1803(g)).

**Material Interest in Rental Property:** an individual has a Material Interest in Rental Property if they, or any member of their Extended Family, own, manage, or have a 5% or greater ownership stake in Rental Units in the county of Los Angeles, or if they or any member of their Extended Family owned, managed, or had a 5% or greater ownership stake in Rental Units in the county of Los Angeles in the past three (3) years (Section 1803(i)). Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. **Interested applicants in such a position should consult with legal counsel prior to submitting an application.***

*I acknowledge I have read the foregoing Note \_\_\_\_\_ (initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

SIMON GIBBONS

APPLICATION FOR PASADENA RENTAL HOUSING BOARD – SUPPLEMENTARY

**8. Have there been, or might there be, any personal or business circumstances which might reflect adversely on the propriety of your serving as a member of the Pasadena Rental Housing Board?**

I was a plaintiff in the lawsuit about the legality of Measure H. Some people have expressed concern about my involvement in this. The courts ruled that some aspects of Measure H were indeed inappropriate, and the case has now been concluded by the plaintiffs.

Throughout the period since Measure H passed, I have respected and followed the law: I immediately carried out rent rollbacks at the end of 2022; I have followed all rules and regulations set by the Rental Board; and I registered my rental units on time.

There is no disconnect between faithfully upholding the oath of office to fairly and impartially work for affordable housing, and exercising my constitutional right to express concerns.

**12. Describe your relevant life experience, professional training, and/or education in the following areas: Housing/Housing Justice/Landlord Tenant Relationships/Real Estate:**

I have co-owned and managed 12 apartments in Pasadena since 2019. During that time I have worked hard to ensure a safe and comfortable space for our tenants, including making upgrades to infrastructure such as parking and utilities, and making sure that all maintenance and repairs are carried out quickly and effectively. I am also responsible for financial management for several Los Angeles rental properties owned by other people, and this includes working with tenants to set up payment plans, discounts, or other methods to try to keep residents in their homes. This expertise follows directly from my previous roles in credit risk management over 25 years, when I set up systems for fair repayment plans and debt forgiveness structures for major US and international banks.

A good example of working with tenants was during 2020, when I set up discounts for all tenants from the start of the pandemic in March and April to help manage their finances during the uncertain period. As the businesses' own financial situation permitted, I offered further discounts during the second half of 2020. This helped to keep many tenants from building up debt during the eviction moratorium.

I'm currently working to promote financial justice as a volunteer with CARE (Credit Abuse Resistance Education) to bring financial and credit advice to children and adults across LA County.

**13. How would you add value to the Pasadena Rental Housing Board?**

I'd like to bring my own experience in rental property management and financial management to the Rent Board. I have been paying close attention to the Board's financial position, and I have attended the majority of meetings as a member of the public.

I will also treat the oath of office seriously. I will pay attention in meetings. I will comply with FPPC and City regulations, just as I complied with complex regulatory requirements throughout my career in banking.

SIMON GIBBONS

APPLICATION FOR PASADENA RENTAL HOUSING BOARD – SUPPLEMENTARY

**14. What do you view as the primary objectives and goals of the Pasadena Rental Housing Board?**

- a) Adjudicate hearings from tenants and property owners in Pasadena in front of the Board for review to help provide effective and timely resolutions for disputes.
- b) Regulate rent levels in line with Measure H, and oversee the implementation of Measure H which defines the obligations and requirements of the Pasadena Rental Housing Board and property owners in the city.
- c) Promote neighborhood stability and affordability in Pasadena.
- d) Provide oversight of the Rent Stabilization Department and its \$5.6 million budget.

**15. How would you help to achieve these objectives and goals?**

I intend to treat the Board's goals seriously, in line with the oath of office.

I want to help drive effective dispute resolution and mediation of rent petitions by using my expertise in property management and financial dispute resolution to make sure that all sides are treated fairly.

I also want to use my financial experience to drive a more rigorous budget process and help the Board meet its obligations for regular and accurate reporting.

I will contribute to the balance of the Board by offering my experience as a rental property manager and owner, as well as a former renter in the USA and other countries.

Finally, I will help to ensure that regulations are clear and effective, for instance by speeding up the processes for publishing permitted rent increases and interest payable on security deposits.

**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. **Interested applicants in such a position should consult with legal counsel prior to submitting an application.***

*I acknowledge I have read the foregoing Note PL (initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

## Education

**ASSOCIATE IN SCIENCE- VOCATIONAL NURSING | JUNE | PASADENA CITY COLLEGE, PASADENA CA**

## Professional Summary

High-performing Nurse Auditor with many years of clinical experience. My skills include a good understanding of medical necessities, problem resolution and self-direction. I have a strong clinical judgement with high analytical skills. I have developed a deep understanding of patient care in the managed healthcare industry. My expertise in these areas has enabled me to provide valuable insights and recommendations to healthcare professionals, resulting in improved patient outcomes and increased efficiency.

**Community Services:** A lifelong Pasadena resident, I have committed over 30 years to local community service. Community service has been a cornerstone of my life since my time in JROTC back in 1994. From cleaning our local parks to assisting at the Rose Bowl, I learned early on the importance of showing up for Pasadena. Over the years, that passion has evolved from a rewarding two-year volunteer term at Huntington Hospital to supporting my three children's schools, where I have been recognized year-round for my involvement.

I believe in leading through action, especially during times of crisis. During the Eaton fires, my husband and I worked to house and feed families who had lost everything. Today, I am honored to continue that legacy of service as the PTA President at Don Benito Elementary, working to strengthen the bond between our schools and our community.

12. I am a current tenant in Pasadena and have been consistently following the Rental Housing Department's work. I've attended several seminars to better understand local housing regulations and am now interested in exploring opportunities to serve or participate further.

13. I add value by acting as a bridge between the city's housing department and the rental community. As a resident who is actively engaged in community, I understand the common challenges tenants face and the regulatory framework intended to solve them. I am prepared to use my knowledge to help the Board implement policies that are clear, accessible, and effective for all Pasadena residents.

14. In my view, the Board's most important goal is to serve as an objective governing body that upholds the City Charter. This involves not only regulating rent increases but also providing essential education to the public. Success for the Board looks like a community where both tenants and landlords have access to clear information, disputes are handled through proper due process, and housing remains accessible for our local workforce.

15. I believe the Board's goals are best met when the community is well informed. I would help achieve these objectives by acting as a bridge for communication. Drawing on my experience leading large community organizations, I can help translate complex housing policies into clear, accessible information for residents. My goal would be to ensure that every tenant and landlord knows their rights and responsibilities, which reduces conflict and promotes stability.

## Types of Statements

---

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

**CITY OF PASADENA**  
**Supplement to Statement of Economic**  
**Interest (FPPC Form 700)**  
**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

**Extended Family:** any spouse, whether by marriage or not, domestic partner, parent, child, sibling, grandparent, aunt or uncle, niece or nephew, grandchild, or cousin (Section 1803(g)).

**Material Interest in Rental Property:** an individual has a Material Interest in Rental Property if they, or any member of their Extended Family, own, manage, or have a 5% or greater ownership stake in Rental Units in the county of Los Angeles, or if they or any member of their Extended Family owned, managed, or had a 5% or greater ownership stake in Rental Units in the county of Los Angeles in the past three (3) years (Section 1803(i)). Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. **Interested applicants in such a position should consult with legal counsel prior to submitting an application.***

*I acknowledge I have read the foregoing Note BL (initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

**Tenant:** a tenant, subtenant, lessee, sublessee or any other person entitled under the terms of a rental housing agreement to the use or occupancy of any Rental Unit (Section 1803(aa)).

Hello,

Thank you so much for taking the time to read this. My name is Brenda Lyon, and I'm very inspired to run for the At Large seat on the Rental Housing Board.

Pasadena has been on my heart since I was a little girl, as I grew up in Chicago, and my mother adored the Rose Parade. Every New Year's Day we would tune in from afar, and now I get to experience the joy of an entire week of events right in my own neighborhood. This year was especially wonderful to me, as my Mom flew in to visit and we sat at the end of the parade in the rain with my 2 year old, new cherished joy. The stories, the artistry, the community, what a treat!

Before the recent Eaton Fires, I was a Sr. Manager of the original core staff of a rapidly growing online property management company that handled full service listings, showings, property management, repairs, turnovers, relisting, and lease renewals of rental units. Each city boasted their own ever changing ordinances that we had to keep up to date on. It was a daily balance to be the peacemaker and liaison between owners and tenants. There were many heated arguments, phone calls and emails on a daily basis that we had to deescalate. I truly understand the challenges on a large and small scale that landlords face when dealing with trying to increase rents to match the costs they face on a local and federal level for taxes, fees, utilities and upkeep. I also watch the widespread rent increases of the last decade that have doubled and tripled all across the United States that not many tenants can afford.

This past year, I became an advocate for tenant rights in Altadena and Pasadena as a plaintiff in a lawsuit against LA County and Pasadena. My rental unit was covered in soot and had smoke damage and I was faced with a landlord who refused to file a homeowners claim. I spent months reaching out to city offices and public offices, only to be told that my issue was a civil matter. I hope to be a voice of reason for common sense laws to keep renters safe, as more than half of the city of Pasadena are renters.

It is my hope that Pasadena, and the state of California, can dive deeper into hygienists, inspections, habitability laws, and public health guidelines. It's important that everyone can enjoy the right to a habitable premise.  
<https://laist.com/news/housing-homelessness/los-angeles-county-pasadena-renter-tenant-landlord-lawsuit-smoke-damage-ash-fire>.

I would add value to the Pasadena Rental Housing Board, as a woman, mother, and a community member who cares for my neighbors, both landlords and tenants. I am passionate about a diverse, multigenerational city that advocates for its most vulnerable. I promise to keep a fair and open mind in regards to all the voices that want to be heard, to make laws that work for everyone. I have worked in accounting, law firms, theatres, churches, and restaurants. My office management skills have made me a superb leader in research, time management, and managing money. I am very well rounded in understanding each cornerstone and root of what it takes to keep a balanced city of diverse culture.

I see the primary objectives of the Pasadena Rental Housing Board as to make sure that an annual rent stabilization increase is maintained to protect renters from too great an increase, to make sure Just Cause Evictions are followed properly, that the Fair and Equitable Housing Charter is enforced and maintaining a balance of education and support to landlords and tenants alike.

My family was supported so very well by the Rent Stabilization Department last year, when we realized that our rent increase was done improperly. Our rep Kiana was so organized and kind! I would make sure to be passionate about community outreach so that tenants and landlords knew the proper increases that were allowed. I would hope to mirror the patience, clear communication, and mediation that Kiana did effortlessly.

I am happy to answer any questions you have and look forward to hearing from you.

Best,

# BRENDA LYNN LYON

# Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

## Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
  - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

### Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

## Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 14, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

### Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

<b>1. Office, Agency, or Court</b>	
Agency Name (Do not use acronym)	
Leather River Irrigation District	
Division (Event, Department, District, if applicable)	Your Position
N/A	Board Member
• If filing for multiple positions list below on an attachment. (Do not use acronym)	
Agency	Position
N/A	
<b>2. Jurisdiction of Office (Check at least one box)</b>	
<input type="checkbox"/> State	<input type="checkbox"/> Judge or Court Commissioner (Statewide Jurisdiction)
<input checked="" type="checkbox"/> (Multi-County) Yuba & Sutter Counties	<input type="checkbox"/> County of _____
<input type="checkbox"/> City of _____	<input type="checkbox"/> Other _____

## Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2025 annual statement, do not change the pre-printed dates to reflect 2026. Your annual statement is used for reporting the previous year's economic interests. Economic interests for your annual filing covering January 1, 2026, through December 31, 2026, will be disclosed on your statement filed in 2027. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

## Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; or if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please do not attach any blank schedules.

## Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original "wet" signature unless filed with a secure electronic signature. (See page 4 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements. **When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

## Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 14.)

### Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 15.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 16.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

### You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 17.)
  - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

### To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold, disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the first and last name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

### When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

### Example:

Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

**(Form RHB-002)**

*All applicants must complete a Statement of Economic Interest (FPPC Form 700) and "Economic Interests Affidavit" attesting to the information reported in applicant's Form 700.*

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. The City is adopting the Fair Political Practices Commission's Form 700 for this purpose. When completing Form 700 to report such interests and dealings in rental property, please note that City Charter Article XVIII requires information about interests in rental property in Los Angeles County for **three years**, not the one year the FPPC Form otherwise uses. Under City Charter Section 1811(b), these documents are public records; they will not be confidential.

**City Charter Article XVIII Definitions:**

**Extended Family:** any spouse, whether by marriage or not, domestic partner, parent, child, sibling, grandparent, aunt or uncle, niece or nephew, grandchild, or cousin (Section 1803(g)).

Please acknowledge you have read the following:

***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. **Interested applicants in such a position should consult with legal counsel prior to submitting an application.***

*I acknowledge I have read the foregoing Note EW(initials)*

**Rental Unit:** any building, structure, or part thereof, or land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes, whether or not such units possess a valid Certificate of Occupancy for use as rental housing, together with all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the Tenant (Section 1803(x)).

## Types of Statements

---

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

**Instructions:** The Pasadena Fair and Equitable Housing Charter Amendment (City Charter Article XVIII) prohibits Tenant Board and Alternate Tenant Board members from having "Material Interests in Rental Property" (defined below) at the time of their appointment and during their service. All applicants for all Board seats (both Tenant and At-Large) must report their own and their Extended Family's interests and dealings in rental properties in Los Angeles County in the three (3) years before submitting an application. ***Note:** While the City Charter is permissive in allowing At-large members to own rental property, California's Conflict of Interest regulations for public officials contain separate standards. As a result, Board members who are property owners with interest in 4 or more rental units in the City of Pasadena might not be able to freely participate in all matters that come before the Pasadena Rental Housing Board. Interested applicants in such a position should consult with legal counsel prior to submitting an application.*

## Types of Statements

### Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

### Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

### Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

### Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

### Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).

*Note:* Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

### Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

## Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 14.)

### Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 15.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 16.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

### You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 17.)
  - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

### To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold, disclose the number of years remaining on the lease.

**Reminders**

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the first and last name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

**Example:**  
Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.
