Dear Hon. Mayor Gordo and Council Members:

I am writing in support of Agenda Item 4 - construction of an affordable housing project for seniors on city-owned property at 280 Ramona Street.

As the Staff Report states, the proposed action is consistent with the City's General Plan - Housing Element and the Five-Year Consolidated Plan, and supports and promotes the quality of life and the local economy - a goal of the City Council's Strategic Plan.

Pasadena should be doing everything possible to facilitate new housing of all types and at all levels of income, including affordable housing for seniors. We need to ensure that seniors in Pasadena, who have contributed so much to the community, have access to dignified, affordable, accessible, and safe housing.

I urge the Council to support the Staff's recommendation to approve \$2,756,073 in federal Home Investment Partnership Program funds currently budgeted in the Department's FY 2027 Operating Budget; and approve the key business terms, as described in the agenda report, of the proposed First Amendment to the Amended and Restated Development, Lease, and Loan Agreement with National Community Renaissance of California.

Respectfully,

P.A. Brown
