AN ORDINANCE OF THE CITY OF PASADENA, CALIFORNIA AMENDING THE WATER WASTE PROHIBITIONS AND WATER SUPPLY SHORTAGE PLANS, TITLE 13, CHAPTER 13.10 OF THE PASADENA MUNICIPAL CODE

PURPOSE OF ORDINANCE:

As directed by the City Council on August 31, 2026, this ordinance implements and codifies modifications to the Pasadena Municipal Code related to Assembly Bill ("AB") 1572, which prohibits the use of potable water to irrigate nonfunctional turf on commercial, industrial, and institutional properties, as well as public agencies, common areas of homeowners' associations, and other specific entities as outlined in the legislation..

REASON WHY LEGISLATION IS NEEDED:

In addition to the statewide prohibition on potable water to irrigate nonfunctional turf, AB 1572 requires public water systems to update local ordinances, regulations, or policies by January 1, 2027, to include the same prohibitions, and to notify customers by that date. PWP staff have been working with customers since 2023 to ensure they are aware of the upcoming requirements.

PROGRAMS, DEPARTMENTS OR GROUPS AFFECTED:

The Department of Water and Power will implement the proposed ordinance.
