This memorandum provides information regarding agenda item #4 on the September 15, 2026 City Council meeting agenda.

The second paragraph on page 4 of the agenda report was modified to reflect that "It is recommended that the City enter into three separate on-call contracts with BKF Engineers; Psomas; and Tetra Tech, Inc. Each contract will be established with a not-to-exceed amount of \$1,000,000 over a five-year term commencing the date that each contract is fully executed."

This revision aligns with the second recommendation to the City Council in the aforementioned agenda report.
