Alternative work schedules other than the 9/80 may be considered based upon service delivery and/or operational effectiveness and must be approved in writing by the Department Director and submitted to Human Resources.

Hours of Work

All classifications covered by this salary resolution are designated as exempt under the Fair Labor Standards Act. It is expected that employees work a minimum of forty hours per work week and any additional hours that may be required to fulfill the responsibilities and work assignments of the position. Classifications designated as exempt are not eligible for overtime, unless authorized under the salary resolution.

The City Manager or a department director may adjust work hours at any time to meet operational needs.

Partial Day Absences for Exempt Employees

1. The intent of the partial day absence rule is to allow for some flexibility for exempt employees, while still recognizing the principle of public accountability. Public accountability means that employees are expected to work their regular work schedule, and should not regularly be absent for less than three hours per day. If an employee needs to occasionally be absent for less than three hours on a working day, he/she will not have to use leave, but will be expected to complete his/her work.
2. Employees who are absent from work for three hours or more of their regularly assigned work schedule are required to utilize appropriate accrued leave time to cover their absence. If accrued leave time is unavailable, the time will be recorded as leave without pay.
3. Exempt employees should be averaging at least forty hours a week of work, with the 9/80 schedule that is eighty hours in a pay period along with any additional hours that may be required to fulfill the responsibilities of the position.
4. Partial day absences are subject to supervisor approval, whether use of leave time is required or not. The use of vacation, sick leave and MTO require advance approval. Flexibility of an exempt employee's work hours may or may not be granted based on operational need including the need for supervisors to be available to supervise non-exempt staff and/or to provide service to the public and internal customers.

Overtime for Exempt Employees

The City Manager may, at his/her discretion and upon the request of a department director, approve (in advance) overtime at straight time base pay or time and one-half base pay for exempt employees. Overtime will only be considered due to significant staff shortages, the need for staffing due to extraordinary circumstances, or to provide service to the public that requires mandatory staffing.

Article 4. LEAVES OF ABSENCE

Vacation

1. Vacation accrual and maximum:

Years of continuous service	Hours accrued per pay period	Annual Accrual	Vacation Maximum Accrual
Hire date to completion of five years	3.08	80 hours	240 hours
Six years – completion of 10 years	4.62	120 hours	320 hours
11 years	4.92	128 hours	336 hours
12 years	5.23	136 hours	352 hours
13 years	5.54	144 hours	368 hours
14 years	5.85	152 hours	384 hours
15 years	6.15	160 hours	400 hours

If an employee has requested to use vacation and the request has been denied resulting in the employee reaching his/her maximum, the department director may authorize a cash out of vacation up to a maximum of forty hours. Inability to use vacation as a result of a leave of absence does not constitute a denial of a request to use vacation leave.

3. If an employee makes an irrevocable election to cash out vacation in the following calendar year and uses vacation in that subsequent year, the vacation used will come from vacation the employee had earned prior to January 1 of the year the employee has elected to cash out vacation. This is to ensure that assuming an employee had a vacation balance prior to January 1, the vacation used will not result in a reduction in the amount of vacation the employee will be eligible to cash out.
4. Upon separation from employment, any accrued but unused vacation will be paid to the employee at the base hourly rate of pay with the final paycheck.

Sick Leave

1. Sick leave may be granted for personal illness or injury; absences for medical, dental, and/or vision care appointments.

5. Employees who while on vacation become ill/injured and who provide a doctor's verification of illness/injury prior to returning to work that verifies that leave for injury or illness in excess of four days was required, may request that the vacation time be substituted with sick leave. 2. Individuals who are not at-will may file a grievance without jeopardizing the employee's employment. A grievance shall not be filed to establish new rules and regulations, change prevailing ordinances or resolutions, nor circumvent existing avenues of relief where appeal procedures have been prescribed.
3. An employee may select one of the following methods of representation. To most effectively utilize the grievance procedure, the method selected should generally be used throughout the processing of the grievance. The employee may:
 - a. Be self-represented
 - b. Be represented by another person
4. Once a grievance is presented and formal notification has been given to the department that the employee will be represented by another person in the grievance proceedings, then that representative shall be governed by this policy. The representative shall be entitled to:
 - a. Notification of the time and place of the grievance proceedings and the opportunity to be present at such proceedings.

The time limits may be extended when mutually agreed upon in writing between the appropriate parties. If the employee, or the employee's representative, fails to proceed with the grievance within any of the time limits specified herein, the grievance shall be considered settled on the basis of the last decision rendered.

7. This is the sole and exclusive method for resolving grievances.

Grievance Procedure

The employee shall present the grievance in writing to his/her department director. If the employee has elected to be represented, assistance by the representative can be utilized in filing/appealing the grievance.

The written grievance must contain a complete statement of the complaint (including the policy or resolution provision alleged to be violated), the facts upon which it is based, and the remedy being requested. The grievance form shall be signed and dated by the employee and filed within fourteen (14) calendar days following the event or events on which the grievance is based.

The department director and the Director of Human Resources, or their designated representatives, shall attempt to resolve the grievance and shall arrange a meeting with the employee and appropriate representative. A decision, in writing, shall be given to the employee within fourteen (14) calendar days following the receipt of the written appeal or conclusion of the appeal meeting, whichever is later.

If the employee is not satisfied with the Step 1 decision, upon indicating areas of specific disagreement, appeal of the grievance to Step 2 for resolution may be made.

2. Step 2 (City Manager or designee (City Attorney or City Clerk, when applicable))

If the grievance has been properly processed and is not satisfactorily resolved at Step 1, the employee may appeal the grievance to Step 2. The appeal shall be in writing, shall be signed by the employee, and shall be submitted to the Director of Human Resources within fourteen (14) calendar days of the written decision at Step 1.

If the employee is being represented, the employee may be assisted by a representative in the appeal.

Within fourteen (14) calendar days after receiving the notice to appeal a grievance to Step 2, a meeting shall be arranged between the employee and the City Manager or designee (City Attorney or City Clerk, when applicable).

The City Manager or designee (City Attorney or City Clerk, when applicable) shall

hold a hearing on the issue, or issues submitted, and shall render a written opinion within 30 days following the closing of the hearing unless the period has been mutually extended in writing. The decision of the City Manager or designee (City Attorney or City Clerk, when applicable) is final and binding on the parties.

 - 2. Employee retirement and insurance benefits cease at the time of and will not be paid during a layoff period.
 - 3. If reinstatement is made, all rights and benefits will be restored as a regular employee from the date of first appointment within the period of the most recent continuous service, with an appropriate adjustment for the time that was not actually worked on

the job.

4. Laid-off employees will have the option of receiving payment for any accumulated vacation within the provisions of the respective policies, at any time during the layoff period. Such payments will be made in one sum.
5. Laid-off employees who are not recalled within the 12-month period will be completely separated from the City service and will automatically receive payment for any accumulated vacation which has not been previously claimed.
6. Employees laid off pursuant to this Section shall be entitled to one month's compensation for each year of City service not to exceed six (6) months' pay. These payments shall be made on a monthly basis and shall end if the employee is re-employed by the City.

Article 9. ADMINISTRATIVE REASSIGNMENT

- A. After exhausting the layoff provisions set forth above, if a regular status employee is subject to involuntary layoff or displacement, the City Manager, in consultation with the Director of Human Resources, may reassign the impacted employee to a vacant position in a classification other than his/her own, based on the employee's knowledge, skills, abilities and work performance. Such reassignment shall be temporary and shall not exceed one year.
- B. In all cases of administrative reassignment, whether to a lower, higher, or equivalent level classification, employees must take a qualifying examination to be eligible for regular status in the classification. This examination may be non-competitive and shall occur no less than three months and no more than one year from the beginning of the administrative reassignment. When the employee is satisfactorily performing the full duties and responsibilities of the reassigned position and has qualified for the classification based on examination, he/she may be formally appointed to the position.
- C. Employees who are administratively reassigned will serve the normal probationary period for the classification in which they are placed, beginning with the date the administrative reassignment becomes effective. If formal appointment is not achieved within one year from the date of reassignment, the employee may be laid off or separated from City employment. Such employee may exercise all options and rights applicable to the classification from which previously laid off or displaced.
- D. If the reassignment is to a classification with an equivalent or higher maximum salary, the employee will retain his/her present classification, salary and benefits until he/she has qualified based upon examination. If the reassignment is to a classification with a lower maximum salary, the employee will assume the new classification title and corresponding benefits. The employee's salary shall not exceed the maximum allowable in the

classification to which reassigned. At the time an employee is formally appointed to a higher classification through the examination process, his/her salary and benefits may be adjusted as appropriate to the new classification.

Article 10. SEVERANCE

The severance provision only applies to individuals on an employment contract (Level 1) or those at-will employees (Level 2 & 4) who serve at the pleasure of the City Manager (City Attorney or City Clerk, when applicable).
