RE: 457 Trust Administrators Committee ("Committee")

Dear Honorable Mayor:

Please accept this letter as notice of my resignation effective immediately from the above referenced Committee. Unfortunately, due to increased professional commitments, I will be unable to commit the time and attention that the Committee and the City deserves and requires.

Thank you for your support in recommending me for the Committee. I welcomed the opportunity to provide assistance to the City and regret that I will be unable to complete my tenure as originally planned.

Sincerely,

Karyn E. Rodriguez
